

# 1911 45ACP STAINLESS STEEL MAGAZINES 7 ROUND - ED BROWN 7-ROUND MAGAZINE

[Magazines](#) > [Handgun Magazines](#) > [Magazines](#)

## Tactical Quality; Made From Heat-Treated Stainless Steel

The classic, reliable 1911 Government 7rd magazine. A heat treated stainless steel body with steel follower and heavy duty spring provides flawless feeding. Outstanding reliability with all types of ammo, including today's popular hollow point bullets. Each magazine includes one thick and one thin base pad and screws for each, allowing you to choose which pad you would like to install. Leave the pad off for a flush fit, install the slim pad for a low-profile, or install the thick pad for use with a magwell. Available with either a Black Nitride durable, low glare, non-reflective finish or a standard stainless steel finish.

# Safety Instruction Guide for 1911 45ACP Stainless Steel Magazines

## Introduction

Thank you for choosing the 1911 45ACP Stainless Steel Magazines. This guide provides essential safety instructions to ensure the safe use and maintenance of your magazine. Please read this manual carefully before use to understand the safety precautions, installation instructions, and disposal methods.

## General Safety Guidelines

- Always handle firearms and magazines with care and responsibility.
- Ensure the magazine is empty before installation or handling.
- Store the magazine in a secure location, out of reach of children and unauthorized users.
- Regularly inspect the magazine for signs of wear or damage. Do not use if damaged.
- Follow all local laws and regulations regarding the use and storage of firearms and ammunition.
- Report any unsafe products or accidents to the appropriate authorities.
- Check for recall updates on the EU's Safety Gate platform.

## Specific Safety Precautions for Use

- Do not exceed the magazine's specified capacity of 7 rounds.
- Avoid using damaged or improperly functioning magazines.
- Ensure that the magazine is compatible with your firearm model (Government, Commander).
- Use only recommended ammunition types (45 Auto (ACP)) to prevent malfunctions.
- Avoid exposing the magazine to extreme temperatures or moisture.
- Always keep the firearm pointed in a safe direction when loading or unloading the magazine.
- Wear safety glasses when handling firearms and magazines.

## Instructions for Installation and Usage

### 1. Installation of Base Pads:

- Choose between the thick and thin base pads provided.
- Using a screwdriver, unscrew the existing base pad from the magazine.
- Align the new base pad with the magazine and secure it using the provided screws.
- Ensure the base pad is firmly attached before use.

### 2. Loading the Magazine:

- Hold the magazine with the feed lips facing upwards.
- Insert the first round into the magazine, pressing down until it clicks into place.
- Continue loading rounds until the magazine is full (7 rounds maximum).
- Ensure that the rounds are seated correctly.

### 3. Using the Magazine:

- Insert the loaded magazine into the firearm until it locks into place.
- Always check that the magazine is securely seated before attempting to fire.
- To remove the magazine, press the magazine release button and pull the magazine out gently.

### 4. Cleaning and Maintenance:

- Regularly clean the magazine to ensure optimal performance.
- Use a soft cloth to wipe down the exterior and a brush for the interior.
- Avoid using harsh chemicals that can damage the finish.

## Disposal Instructions

- Dispose of the magazine in accordance with local regulations.
- If the magazine is damaged or no longer functional, do not attempt to repair it.
- Recycle materials where possible, following local recycling guidelines.

## Contact Information for Further Support

For any inquiries or support regarding the 1911 45ACP Stainless Steel Magazines, please refer to the contact information provided by the manufacturer or your retailer.

Thank you for prioritizing safety in your firearm practices. Your responsible use of this product contributes to the safety of yourself and those around you.
