# Safety Instruction Guide for 1911 Recoil Spring Guides ED Brown Recoil Spring Guide, Blue

## Introduction

Thank you for choosing the 1911 Recoil Spring Guides from ED Brown. This guide provides essential safety instructions and information to ensure the safe use and handling of this product. Please read this manual carefully before installation and usage.

## General Safety Guidelines

To ensure the safe use of the 1911 Recoil Spring Guides, please follow these guidelines:

- Always handle firearms with care and ensure they are unloaded before performing any maintenance or installation.
- Only use this product in accordance with the manufacturer's specifications and guidelines.
- Keep the recoil spring guides out of reach of children and unauthorized individuals.
- Regularly inspect the recoil spring guides for any signs of wear or damage. If any issues are noticed, discontinue use immediately.
- Ensure that all tools and equipment used during installation are in good working condition.
- Familiarize yourself with the firearm's manual and safety features before installation.

## Specific Safety Precautions for Use

When using the 1911 Recoil Spring Guides, please adhere to the following precautions:

- Use only compatible models as specified: Government or Commander configurations.
- Avoid using excessive force when installing the recoil spring guides to prevent damage to the firearm or the guides.
- Ensure that the recoil spring guides are properly secured before use to avoid any potential accidents.
- Always wear appropriate eye protection when working with firearms to guard against unexpected discharges.
- Maintain a clean workspace to prevent accidents during installation and handling.

## Instructions for Installation and Usage

Follow these steps for the proper installation and usage of the 1911 Recoil Spring Guides:

### 1. Preparation:

- Ensure the firearm is unloaded and pointed in a safe direction.
- Gather necessary tools, including a punch tool and a mallet if needed.

### 2. Installation of Recoil Spring Guide:

- Remove the existing recoil spring guide if applicable.
- Align the new recoil spring guide with the designated slot in the firearm.
- Gently tap the guide into place using a mallet and punch tool if necessary. Ensure it is seated securely.

### 3. Installation of Plug:

- Insert the plug into the recoil spring guide.
- Ensure that the plug is flush with the surface of the guide.

#### 4. Final Check:

- Inspect the installation to confirm that all components are securely in place.
- Perform a function check of the firearm to ensure proper operation.

#### 5. Usage:

- Use the firearm in accordance with its operational guidelines.
- Regularly maintain and inspect the recoil spring guides as part of your firearm maintenance routine.

## Disposal Instructions

When disposing of the 1911 Recoil Spring Guides, please follow these guidelines:

- Do not dispose of the product in regular household waste.
- Check local regulations for the proper disposal of metal components.
- If the product is damaged beyond use, consider recycling the materials where possible.

## Contact Information for Further Support

For any questions or safety inquiries regarding the 1911 Recoil Spring Guides, please reach out to your local authorized dealer or manufacturer. Ensure that you have the product details ready for reference.

## Conclusion

By following these safety instructions, you can ensure the proper use and handling of the 1911 Recoil Spring Guides from ED Brown. Always prioritize safety and stay informed about the best practices for firearm maintenance. Thank you for your attention to these important guidelines.
