# Safety Instruction Guide for Ed Brown 1911 Machined Ambidextrous Wide Thumb Safety

## Introduction

Thank you for purchasing the Ed Brown Machined Ambidextrous Wide Thumb Safety. This product is designed to enhance the safety and functionality of your 1911 type firearm. This guide provides essential safety instructions, installation guidelines, and disposal instructions to ensure safe and effective use of the product.

## General Safety Guidelines

To ensure the safe use of the Ed Brown 1911 Machined Ambidextrous Wide Thumb Safety, please follow these general safety guidelines:

- Always treat your firearm as if it is loaded.
- Keep the firearm pointed in a safe direction at all times.
- Store the firearm in a secure location, away from children and unauthorized users.
- Regularly inspect the safety mechanism for proper function.
- Do not use the firearm if the safety mechanism is not functioning correctly.
- Ensure that you are familiar with the operation of your firearm and the safety features before use.
- Report any unsafe products or accidents to the appropriate authorities.

## Specific Safety Precautions for Use

When using the Ed Brown Machined Ambidextrous Wide Thumb Safety, please observe the following precautions:

- Ensure that the safety is engaged when the firearm is not in use.
- Do not attempt to modify the safety mechanism or the firearm in any way.
- Always use the safety in accordance with the manufacturer's instructions.
- Be aware of your surroundings and ensure that you have a clear line of sight when handling the firearm.
- If you notice any unusual behavior or malfunction, cease use immediately and consult a qualified gunsmith.

## Instructions for Installation and Usage

To ensure proper installation and usage of the Ed Brown Machined Ambidextrous Wide Thumb Safety, please follow these steps:

### Installation Instructions

1. **Prepare Your Workspace:** Ensure you have a clean, welllit workspace. Gather necessary tools, including a punch tool and a hammer.
2. **Remove the Old Safety:**
  - Ensure the firearm is unloaded and pointed in a safe direction.
  - Carefully remove the grip panels to access the safety mechanism.
  - Use the punch tool to remove the old safety by driving out the hammer pin.
3. **Install the New Safety:**
  - Insert the new Ed Brown Machined Ambidextrous Wide Thumb Safety into the appropriate slot.
  - Use the included special hammer pin to secure the safety in place.
  - Ensure the safety is functioning correctly by testing its operation.
4. **Reattach the Grip Panels:** Once the new safety is installed and functioning properly, reattach the grip panels securely.

## **Usage Instructions**

- To engage the safety, push the thumb safety downwards until it clicks into place.
- To disengage the safety, push the thumb safety upwards until it clicks out of the engaged position.
- Always ensure the safety is engaged when the firearm is not in active use.

## **Disposal Instructions**

When it comes time to dispose of the Ed Brown Machined Ambidextrous Wide Thumb Safety, please follow these guidelines:

- Dispose of the product in accordance with local regulations regarding firearm parts.
- If the safety is damaged or no longer functional, consider recycling the metal components where possible.
- Do not dispose of the safety in regular household waste. Instead, contact a local firearms dealer or recycling center for proper disposal methods.

## **Contact Information for Further Support**

For further support or inquiries regarding the Ed Brown Machined Ambidextrous Wide Thumb Safety, please refer to the manufacturer's contact details provided with your product packaging.

Thank you for choosing the Ed Brown Machined Ambidextrous Wide Thumb Safety. Your safety and satisfaction are our top priorities. Always handle your firearm responsibly and in accordance with the law.
