

MACHINED AMBIDEXTROUS CARRY THUMB SAFETY FOR 1911 - ED BROWN MACHINED AMBIDEXTROUS CARRY SAFETY FOR 1911 BLUE

[Handgun Parts](#) > [Safety Parts](#) > [Safeties](#)

MACHINED AMBIDEXTROUS CARRY THUMB SAFETY FOR 1911 The Ed Brown Ambidextrous Machined Carry Thumb Safety provides a slim pad for use in concealed carry applications. This is the same as the Wide Ambidextrous Safety but with the levers trimmed to a 1/8" slender profile for better carry and concealment. This version is fully machined from stock for unbeatable quality and no chance of warping or porosity. This design uses a special hammer pin (included) to hold the safety securely, eliminating the need to modify the grips. Designed for all 1911 type frames and made from high quality steel. Available in blued or stainless steel. Requires minor gunsmith fitting for safe operation and includes complete instructions.

Safety Instruction Guide for Ed Brown Machined Ambidextrous Carry Thumb Safety

Introduction

Thank you for choosing the Ed Brown Machined Ambidextrous Carry Thumb Safety for your 1911 handgun. This product is designed to enhance your firearm's safety and usability. Please read this safety instruction guide carefully to ensure safe installation, usage, and disposal of the product, in compliance with the EU General Product Safety Regulation (GPSR).

General Safety Guidelines

- Ensure safe use of the thumb safety by following these guidelines:
 - Always handle firearms with care and in accordance with local laws and regulations.
 - Never point the firearm at anything you do not intend to shoot.
 - Keep the firearm unloaded until you are ready to use it.
 - Store the firearm securely when not in use, out of reach of children and unauthorized users.
 - Regularly inspect the thumb safety and firearm for any signs of wear or damage.
 - Report any unsafe products or accidents to the relevant authorities.

Specific Safety Precautions for Use

- To ensure safe operation of the Ed Brown Machined Ambidextrous Carry Thumb Safety, observe the following precautions:
 - Only use the thumb safety with compatible 1911 type frames (Government, Commander, Officers).
 - Ensure that the thumb safety is properly installed before using the firearm.
 - Use the special hammer pin provided to securely hold the safety in place.
 - Avoid modifying the grips while installing the thumb safety.
 - If you are unfamiliar with firearm modifications, seek assistance from a qualified gunsmith.
 - Do not attempt to use the firearm if the thumb safety does not function correctly.

Instructions for Installation and Usage

1. Installation Steps:

- Ensure the firearm is unloaded and pointed in a safe direction.
- Remove the existing thumb safety from the firearm.
- Align the new Ed Brown Machined Ambidextrous Carry Thumb Safety with the safety slot on the frame.
- Insert the special hammer pin provided with the thumb safety to secure it in place.
- Check the movement of the thumb safety to ensure it operates smoothly.
- Make sure there is no interference with the grips.

2. Usage Guidelines:

- To engage the thumb safety, press the lever down until it clicks into place.
- To disengage the thumb safety, press the lever up with your thumb.
- Always check the thumb safety's functionality before using the firearm.
- Practice engaging and disengaging the thumb safety while the firearm is unloaded to become familiar with its operation.

Disposal Instructions

- When disposing of the Ed Brown Machined Ambidextrous Carry Thumb Safety, follow these guidelines:
 - Dispose of the product in accordance with local waste disposal regulations.
 - If the product is damaged or no longer usable, consider recycling metal components where possible.
 - Do not throw the product in regular household waste if it can be recycled or has specific disposal requirements.

Contact Information for Further Support

- For any inquiries or concerns regarding the Ed Brown Machined Ambidextrous Carry Thumb Safety, please refer to the product packaging or visit the manufacturer's website for contact information.

Thank you for prioritizing safety and responsible firearm ownership. Your adherence to these guidelines will help ensure a safe and enjoyable experience with your product.
