

1911 MACHINED EXTENDED WIDE THUMB SAFETY - ED BROWN

1911 MACHINED EXTENDED SAFETY WIDE BLUE

[Handgun Parts](#) > [Safety Parts](#) > [Safeties](#)

The Ed Brown Machined Wide Thumb Safety provides a large pad for quick actuation of the safety. This version is fully machined from stock for unbeatable quality and no chance of warping or porosity. The most ergonomic and attractive thumb safety on the market! Widest design 1/4" levers for "high thumb" shooting style. This allows the shooter to rest the thumb on top of the safety as Jeff Cooper and others recommend. Shaped for shooting comfort, the lever is angled slightly to keep the thumb from contacting the slide and has a double angle to fit the thumb perfectly. May be custom trimmed to any slimmer proportions with no loss of style or function. Designed for all 1911 type frames and made from high quality steel. Available in blued or stainless steel. Requires minor gunsmith fitting for safe operation and includes complete instructions.

Safety Instruction Guide for the Ed Brown 1911 Machined Extended Wide Thumb Safety

Introduction

Thank you for choosing the Ed Brown Machined Extended Wide Thumb Safety for your 1911 type firearm. This product is designed to enhance your shooting experience while ensuring safety and reliability. Please read this safety instruction guide carefully to understand how to use and maintain this product safely.

General Safety Guidelines

- Always treat your firearm as if it is loaded.
- Ensure that the safety is engaged when the firearm is not in use.
- Keep the firearm pointed in a safe direction at all times.
- Store your firearm in a secure location, out of reach of children and unauthorized users.
- Regularly inspect the thumb safety for wear and tear.
- Do not attempt to modify the thumb safety beyond manufacturer specifications.

Specific Safety Precautions for Use

- **Potential Hazards:**

- Improper installation or fitting may lead to malfunction.
- Failure to engage the safety may result in accidental discharge.

- **Avoiding Hazards:**

- Always follow the installation instructions carefully.
- Engage the safety before handling or transporting the firearm.
- Ensure that the thumb safety is functioning correctly before use.

- **AgeSpecific Warnings:**

- This product is intended for use by individuals aged 18 and older.
- Keep this product away from children and individuals who do not have proper training in firearm safety.

Instructions for Installation and Usage

1. Installation:

- Ensure that the firearm is unloaded and the magazine is removed.
- Follow the detailed installation instructions provided in the package.
- Minor gunsmith fitting may be required for safe operation. Consult a qualified gunsmith if you are unsure about the installation process.

2. Usage:

- To engage the safety, press down on the thumb safety lever with your thumb.
- To disengage the safety, lift the thumb safety lever up with your thumb.
- Practice using the thumb safety in a safe environment to become familiar with its operation.

3. Maintenance:

- Regularly clean the thumb safety to remove dirt and debris.
- Inspect the thumb safety for signs of wear or damage.
- If you notice any issues, discontinue use and consult a qualified gunsmith.

Disposal Instructions

- Dispose of any packaging materials responsibly and in accordance with local waste disposal regulations.
- If the thumb safety is no longer functional or safe to use, dispose of it in a manner that prevents unauthorized access.

Contact Information for Further Support

For any inquiries regarding the Ed Brown Machined Extended Wide Thumb Safety, please refer to the manufacturer's contact information provided in the product packaging or visit their official website.

Conclusion

The Ed Brown Machined Extended Wide Thumb Safety is designed for optimal safety and performance. By following this instruction guide and adhering to the safety guidelines outlined, you can ensure a safe shooting experience. Always prioritize safety and seek assistance if you have any questions or concerns regarding the use of this product.
