

# FELT POLISHING WHEELS - 6" SOFT FELT POLISHING WHEEL 1" ARBOR

[Gunsmith Tools & Supplies](#) > [Metal Prep & Coloring](#) > [Polishing Tools & Accessories](#) > [Polishing Wheels](#)

## Professional Gunsmith-Proven & Preferred

Finest quality 1" wide felt wheels, carefully selected and factory trued. (Final touch-up truing may be required.) Only the closely controlled density of felt wheels will give the superb finish that marks the real professional. Complete instructions on Polish-O-Ray™ tube describes felt wheel technique. It is best to use a different wheel for each polish grit. 1/2 hp or under, use 6" wheels at 3600 RPM, 1/2 hp or over, 8" at 1800, 3/4 hp or over can use 10" at 1800. 10" for experienced polishers only. Use the soft felt for most work, medium or hard wheel for 555™ Polish.

# FELT POLISHING WHEELS 6" SOFT FELT POLISHING WHEEL 1" ARBOR Safety Instruction Guide

## Introduction

Thank you for choosing the FELT POLISHING WHEELS 6" SOFT FELT POLISHING WHEEL 1" ARBOR. This guide provides essential safety instructions and guidelines to ensure the safe and effective use of this product. Please read all sections carefully before using the product.

## General Safety Guidelines

- Ensure that the product is used only for its intended purpose.
- Always wear appropriate personal protective equipment (PPE), including safety goggles and dust masks, to protect against dust and debris.
- Keep the workspace clean and free from hazards to prevent accidents.
- Store the product in a dry and secure location, away from children and pets.
- Regularly inspect the polishing wheels for any signs of wear or damage before use.
- If you notice any defects or irregularities, discontinue use immediately and consult a professional.

## Specific Safety Precautions for Use

- Use the correct size and type of polishing wheel for your specific machine and application.
- Ensure that the polishing wheel is securely attached to the machine before operation.
- Do not exceed the recommended RPM for the polishing wheels:
  - 6" wheels: 3600 RPM for 1/2 hp or under
  - 8" wheels: 1800 RPM for 1/2 hp or over
  - 10" wheels: 1800 RPM for 3/4 hp or over (for experienced polishers only)
- Always use a different wheel for each polish grit to avoid contamination.
- Avoid using the polishing wheels on wet or damp surfaces.
- Never touch the polishing wheel while it is in motion.
- Keep hands and clothing away from the polishing wheel during operation.
- Use the soft felt wheel for most work; medium or hard wheels should be used for 555™ Polish.

## Instructions for Installation and Usage

### 1. Installation:

- Ensure that the machine is turned off and unplugged before installation.
- Select the appropriate polishing wheel based on your polishing needs.
- Attach the polishing wheel to the machine's arbor, ensuring it is securely fitted.
- If necessary, use the supplied adapter to convert the arbor size to fit the wheel.
- Check that the wheel is properly aligned and does not wobble.

### 2. Usage:

- Plug in the machine and turn it on, allowing the polishing wheel to reach the recommended RPM.
- Apply the polish evenly to the surface being worked on.
- Gently guide the workpiece against the polishing wheel, allowing the wheel to do the work.
- Do not apply excessive pressure; let the polishing wheel operate at its designed capacity.
- After use, turn off the machine and unplug it before removing the polishing wheel.

## **Disposal Instructions**

- Dispose of any used or damaged polishing wheels in accordance with local waste disposal regulations.
- Do not dispose of polishing wheels in regular household waste if they contain hazardous materials.
- Consider recycling options where available.

## **Contact Information for Further Support**

For any inquiries or concerns regarding the FELT POLISHING WHEELS, please refer to the contact information provided by the manufacturer or retailer from whom you purchased the product.

By following these safety instructions, you can ensure a safe and effective polishing experience. Thank you for choosing our product, and we wish you the best in your polishing endeavors!
