

FELT POLISHING WHEELS - BACON FELT COMPANY 8" SOFT FELT POLISHING WHEEL 1" ARBOR

[Gunsmith Tools](#) > [Metal Prep & Coloring](#) > [Polishing Tools & Accessories](#) > [Polishing Wheels](#)

Professional Gunsmith-Proven & Preferred

Finest quality 1" wide felt wheels, carefully selected and factory trued. (Final touch-up truing may be required.) Only the closely controlled density of felt wheels will give the superb finish that marks the real professional. Complete instructions on Polish-O-Ray™ tube describes felt wheel technique. It is best to use a different wheel for each polish grit. 1/2 hp or under, use 6" wheels at 3600 RPM, 1/2 hp or over, 8" at 1800, 3/4 hp or over can use 10" at 1800. 10" for experienced polishers only. Use the soft felt for most work, medium or hard wheel for 555™ Polish.

Safety Instruction Guide for FELT POLISHING WHEELS

Introduction

Thank you for choosing the FELT POLISHING WHEELS from BACON FELT COMPANY. This guide provides essential safety instructions to ensure the safe and effective use of the product. Please read this guide carefully before using the polishing wheels.

General Safety Guidelines

- Ensure that you are familiar with the product before use.
- Always wear appropriate personal protective equipment (PPE), including safety goggles and gloves.
- Keep the workspace clean and organized to prevent accidents.
- Do not use the wheels for any purpose other than polishing.
- Regularly inspect the wheels for signs of wear or damage before each use.
- Ensure that the polishing machine is properly maintained and in good working condition.
- Keep the wheels away from children and vulnerable individuals.

Specific Safety Precautions for Use

- Use only the recommended speed settings for your polishing machine:
 - For machines with 1/2 hp or under, use 6" wheels at 3600 RPM.
 - For machines with 1/2 hp or over, use 8" wheels at 1800 RPM.
 - For machines with 3/4 hp or over, you may use 10" wheels at 1800 RPM (for experienced polishers only).
- Always use a separate wheel for each polish grit to avoid contamination.
- When changing wheels, ensure the machine is turned off and unplugged.
- Avoid excessive pressure on the wheel during use to prevent damage and ensure a smooth finish.

Instructions for Installation and Usage

1. Installation:

- Ensure the polishing machine is turned off and unplugged.
- Select the appropriate adapter if necessary (1/2", 5/8", 3/4", or 7/8").
- Securely attach the felt polishing wheel to the arbor of the polishing machine.
- Tighten the wheel according to the manufacturer's instructions to ensure it is secure.

2. Usage:

- Turn on the polishing machine and allow it to reach the desired speed.
- Gently introduce the workpiece to the polishing wheel, using light pressure.
- Move the workpiece evenly across the wheel to achieve the desired finish.
- After use, turn off and unplug the machine before removing the wheel.

Disposal Instructions

- Dispose of the felt polishing wheels in accordance with local regulations.
- Do not dispose of the wheels in general waste if they are contaminated with hazardous materials.
- Consider recycling options for the materials if available.

Contact Information for Further Support

For any safety inquiries or further support, please refer to the contact information provided with your product packaging or visit the manufacturer's website.

Thank you for taking the time to read this safety instruction guide. Your safety is our priority, and we hope you enjoy using the FELT POLISHING WHEELS.
