

# FELT POLISHING WHEELS - BACON FELT COMPANY 8" SOFT FELT POLISHING WHEEL 7/8" ARBOR

[Gunsmith Tools](#) > [Metal Prep & Coloring](#) > [Polishing Tools & Accessories](#) > [Polishing Wheels](#)

## Professional Gunsmith-Proven & Preferred

Finest quality 1" wide felt wheels, carefully selected and factory trued. (Final touch-up truing may be required.) Only the closely controlled density of felt wheels will give the superb finish that marks the real professional. Complete instructions on Polish-O-Ray™ tube describes felt wheel technique. It is best to use a different wheel for each polish grit. 1/2 hp or under, use 6" wheels at 3600 RPM, 1/2 hp or over, 8" at 1800, 3/4 hp or over can use 10" at 1800. 10" for experienced polishers only. Use the soft felt for most work, medium or hard wheel for 555™ Polish.

# FELT POLISHING WHEELS SAFETY INSTRUCTION GUIDE

## Introduction

Thank you for choosing the Bacon Felt Company 8" Soft Felt Polishing Wheel. This guide provides essential safety instructions to ensure the safe and effective use of your polishing wheel. Please read this document carefully before using the product.

## General Safety Guidelines

- Ensure that the polishing wheel is used only for its intended purpose.
- Always follow the manufacturer's instructions for use, installation, and maintenance.
- Keep the workspace clean and free from any hazards that could lead to accidents.
- Use personal protective equipment (PPE) such as goggles, gloves, and dust masks to protect against dust and debris.
- Store the polishing wheel in a dry, safe place away from children and pets.
- Regularly inspect the polishing wheel for any signs of wear or damage before use.
- Report any unsafe products or accidents to the relevant authorities.

## Specific Safety Precautions for Use

### • Use Proper RPM Settings:

- For machines with 1/2 hp or under, use 6" wheels at 3600 RPM.
- For machines with 1/2 hp or over, use 8" wheels at 1800 RPM.
- For machines with 3/4 hp or over, 10" wheels at 1800 RPM are recommended, but these are for experienced polishers only.

### • Select the Right Wheel:

- Use the soft felt wheel for most polishing tasks.
- Use medium or hard wheels only for specific applications, such as with 555™ Polish.

### • Avoid Overheating:

- Monitor the temperature of the wheel during use to prevent overheating, which can lead to damage or reduced effectiveness.

### • Maintain Safe Distance:

- Keep hands and other body parts away from the polishing wheel while it is in operation.

### • Use Adapters Correctly:

- Ensure that adapters are securely attached to the arbor before use. Adapters convert to 1/2" (12.7mm), 5/8" (15.9mm), 3/4" (6.4mm), and 7/8" (22.2mm).

## Instructions for Installation and Usage

### 1. Installation:

- Ensure the machine is powered off and unplugged before installation.

- Select the appropriate arbor adapter based on your machine specifications.
- Carefully attach the polishing wheel to the machine's arbor, ensuring it is securely fastened.
- Check that the wheel is aligned properly and spins freely without obstruction.

## 2. Usage:

- Power on the machine and allow the polishing wheel to reach the appropriate RPM.
- Start polishing by gently applying the wheel to the surface, moving in a consistent manner.
- Avoid excessive pressure; let the wheel do the work.
- Frequently check the surface for quality and adjust your technique as necessary.
- After use, power off the machine and allow the wheel to come to a complete stop before touching it.

## Disposal Instructions

- Dispose of any damaged or worn polishing wheels in accordance with local regulations.
- Do not dispose of the polishing wheel in regular household waste. Instead, check for recycling programs that accept textile materials or industrial waste.
- Ensure that all components, including adapters, are disposed of properly.

## Contact Information for Further Support

For any inquiries regarding safety, usage, or concerns about the product, please refer to the manufacturer or authorized distributors.

By following these safety instructions, you can ensure a safe and effective polishing experience with your Bacon Felt Company 8" Soft Felt Polishing Wheel. Thank you for your attention to safety, and enjoy your polishing projects!
