

# GRIP FRAME INSERT FOR GLOCK® - PEARCE GRIP GLOCK GEN 4/5 MID & FULL MODELS ONLY

[Handgun Parts](#) > [Grip Parts](#) > [Grip Plugs](#)

## Fills The Opening In Glock Frame For Smoother Reloading

Plastic plug installs in the bottom rear cavity of the frame to fill the opening found in Glock® pistols. Front "lip" forms a tight, flush bond with the mag well to help make sure the mag goes where it should, smoothly. Keeps dirt and debris from finding its way inside the pistol and gives a clean, smooth look. Uses the lanyard hole for retention to snap firmly into place. Glock® Plus Zero fits Models 17 through 25, 31, 32, 34, 35, 37, and 38. Gen 4 Grip Frame Inserts allow for use of the factory interchangeable backstraps. Gen 4 Full & Mid model fits Generation 4 Glock® models 17/18/19/22/23/24/25/31/32/34/35/37/38. Gen 4 Subcompact model fits Generation 4 Glock® models 26/27/33/39. Other inserts fit the Glock® models indicated in the price lines below. Does not add extra rounds.

# Safety Instruction Guide for GRIP FRAME INSERT FOR GLOCK® PEARCE GRIP

## Introduction

Thank you for choosing the GRIP FRAME INSERT FOR GLOCK® PEARCE GRIP. This product is designed to enhance the functionality and aesthetics of your Glock® pistol. Please read this safety instruction guide carefully to ensure safe usage and compliance with EU safety regulations.

## General Safety Guidelines

- Ensure that the product is suitable for your specific Glock® model (Gen 4/5 Mid & Full Models).
- Always handle your firearm safely and responsibly, following all applicable laws and regulations.
- Keep the product out of reach of children and unauthorized users.
- Regularly inspect the insert for any signs of wear or damage. Do not use if damaged.
- Report any unsafe product experiences to the appropriate authorities.

## Specific Safety Precautions for Use

### • Installation Precautions:

- Ensure the firearm is unloaded before installation.
- Follow the installation instructions carefully to avoid improper fitting.

### • Usage Precautions:

- Do not use the grip insert as a substitute for proper firearm handling and safety practices.
- Avoid exposing the insert to extreme temperatures or harsh chemicals that may affect its integrity.

### • Storage Precautions:

- Store the firearm with the insert in a secure location to prevent unauthorized access.

## Instructions for Installation and Usage

### 1. Preparation:

- Ensure your Glock® pistol is completely unloaded.
- Gather the necessary tools, if any, for installation.

### 2. Installation Steps:

- Locate the bottom rear cavity of the frame on your Glock® pistol.
- Take the GRIP FRAME INSERT and align it with the opening.
- Gently press the insert into the cavity until it snaps firmly into place. Ensure that the front lip forms a tight, flush bond with the mag well.
- Check that the insert is securely fitted and does not move when pressure is applied.

### 3. Usage Instructions:

- Once installed, the insert will help keep dirt and debris out of the pistol while providing a clean look.
- The insert uses the lanyard hole for retention, ensuring it remains in place during use.

## **Disposal Instructions**

- Dispose of the GRIP FRAME INSERT responsibly.
- Do not dispose of the product in regular household waste. Follow local regulations for disposal of plastic products.
- If the product is damaged or no longer needed, consider recycling options where available.

## **Contact Information for Further Support**

For any inquiries or support related to the GRIP FRAME INSERT, please refer to the manufacturer's contact point or website. Ensure you have the product details handy for efficient assistance.

Thank you for your attention to these safety guidelines. Enjoy the enhanced functionality of your Glock® pistol with the GRIP FRAME INSERT. Stay safe!
