

# M14/M1A NATIONAL-MATCH SPRING GUIDE - BADGER ORDNANCE SPRING GUIDE

[Rifle Parts](#) > [Receiver Parts](#) > [Recoil Parts](#) > [Recoil Spring Parts](#)

## **Smoothes Operating Rod Functioning - Drop-In Replacement Requires No Gunsmithing**

Hardened, tempered, one-piece, steel spring guide stands up to wear and warping for improved cycling. Cylinder rod provides 360-degree contact with the spring to diminish binding problems; fluted to reduce spring drag. Drop-in part installs easily.

## **Attributes**

# M14/M1A NationalMatch Spring Guide Safety Instruction Guide

## Introduction

Thank you for choosing the M14/M1A NationalMatch Spring Guide by Badger Ordnance. This product is designed to enhance the performance of your firearm by providing a reliable spring guide for improved cycling. To ensure your safety and the optimal use of this product, please read and follow the safety instructions outlined in this guide.

## General Safety Guidelines

- Always handle firearms with care and respect.
- Ensure you are familiar with the operation and safety features of your firearm.
- Use only compatible parts with your firearm model (M14, M1A).
- Store the spring guide in a safe place, away from children and unauthorized users.
- Regularly inspect the spring guide for signs of wear or damage.
- Report any unsafe products or incidents to the appropriate authorities.
- Check for recall updates on the EU's Safety Gate platform.

## Specific Safety Precautions for Use

### • Potential Hazards:

- Improper installation may lead to malfunction or injury.
- Use of incompatible parts can compromise safety.
- Failure to maintain the spring guide may result in performance issues.

### • Avoiding Hazards:

- Always follow the installation instructions carefully.
- Ensure that all components are in good condition before use.
- Do not modify the spring guide or firearm components.
- Keep the spring guide clean and free from debris.

### • Audience Specific Warnings:

- This product is intended for adult users only. Keep out of reach of children.
- Ensure that all users are trained in firearm safety and operation.

## Instructions for Installation and Usage

### • Installation:

1. Ensure your firearm is unloaded and pointed in a safe direction.
2. Remove the existing spring guide from your firearm, if applicable.
3. Inspect the new spring guide for any visible damage.
4. Insert the new spring guide into the designated area, ensuring it fits securely.
5. Ensure the cylinder rod is aligned correctly for 360degree contact with the spring.
6. Reassemble your firearm according to the manufacturer's instructions.

### • Usage:

- Test the firearm in a safe environment to ensure proper functionality.
- Monitor the performance of the spring guide during use.
- If you experience any binding or drag, cease use and inspect the spring guide.

## **Disposal Instructions**

- Dispose of the spring guide in accordance with local regulations.
- Do not dispose of the spring guide in regular household waste.
- Check with local waste management authorities for proper disposal methods.

## **Contact Information for Further Support**

For any questions or concerns regarding the M14/M1A NationalMatch Spring Guide, please contact the manufacturer or your local dealer. They can provide additional support and information regarding safety and usage.

Thank you for your attention to these safety instructions. Your safety and satisfaction are our priorities. Enjoy your enhanced shooting experience with the M14/M1A NationalMatch Spring Guide!
