

# ONE-PIECE SCOPE MOUNTS - BADGER ORDNANCE 34MM UNIMOUNT ULTRA HIGH (1.49"X4.625") ALUMINUM

[Optics & Mounting](#) > [Rings, Mounts & Bases](#) > [Mount Sets](#)

These one-piece scope mounts from Badger Ordnance provide a rock-solid mount for scopes with 34mm tubes. Their monolithic construction withstands harsh recoil, and makes for easy mounting onto any Picatinny receiver rail. Available in two heights, both measured from bottom of mount to center of optic. 1.3" height has built-in 20 MOA elevation. 1.49" height has no MOA. Rings secure with 4 Torx® head screws each. Reducer rings, available separately, allow use on 30mm scope tubes. Includes installation wrench.

## Attributes

- Name: [BADGER ORDNANCE 34MM UNIMOUNT ULTRA HIGH \(1.49"X4.625"\) ALUMINUM](#)
- Manufacturer: [BADGER ORDNANCE](#)
- Product no.: 093000048
- Mfr. No.: 30664
- Elevation: 0 MOA
- Finish: Matte Black
- Height: 1.49"
- Length: 4.625"
- Scope Tube Diameter: 34mm
- Style: Picatinny
- Delivery weight: 0.159kg
- Shipping height: 58mm
- Shipping width: 84mm
- Shipping length: 145mm

# ONEPIECE SCOPE MOUNTS BADGER ORDNANCE 34MM UNIMOUNT ULTRA HIGH Safety Instruction Guide

## Introduction

Thank you for choosing the ONEPIECE SCOPE MOUNTS BADGER ORDNANCE 34MM UNIMOUNT ULTRA HIGH. This guide provides essential safety instructions and guidelines to ensure the safe and effective use of your scope mount. Please read this document carefully before installation and use.

## General Safety Guidelines

- Ensure that the product is used only for its intended purpose, which is to securely mount scopes with 34mm tubes on a Picatinny receiver rail.
- Always inspect the scope mount for any visible damage or defects before installation.
- Keep the product out of reach of children and vulnerable individuals to prevent accidents.
- Follow all local laws and regulations regarding the use of firearm accessories.
- In case of any safety concerns or product malfunctions, discontinue use immediately and seek assistance.

## Specific Safety Precautions for Use

- When mounting the scope, ensure that the mount is securely fastened to the Picatinny rail using the provided Torx® head screws.
- Do not exceed the recommended torque specifications when tightening screws; overtightening may cause damage to the mount or the rail.
- Avoid using the scope mount in extreme environmental conditions unless specified by the manufacturer.
- Be cautious of recoil when using firearms equipped with the mounted scope, as this can affect the stability of the mount.
- Use reducer rings (available separately) only if you intend to mount a 30mm scope tube and follow the manufacturer's instructions for installation.

## Instructions for Installation and Usage

### 1. Preparation

- Gather all necessary tools, including the installation wrench provided with the scope mount.
- Ensure you have a clean and stable workspace.

### 2. Installation

- Align the onepiece scope mount with the Picatinny rail on your firearm.
- Position the mount at the desired location on the rail.
- Secure the mount by tightening the 4 Torx® head screws on each ring, ensuring even pressure across all screws.

### 3. Adjusting the Scope

- Once the mount is installed, place your scope into the rings.
- Adjust the scope's position for optimal eye relief and alignment.
- Tighten the ring screws to secure the scope in place, following the same precautions as during the initial installation.

#### 4. PostInstallation Check

- After installation, doublecheck all screws for tightness.
- Inspect the mount and scope for stability before use.

## Disposal Instructions

- Dispose of the product in accordance with local regulations for aluminum and metal waste.
- Do not dispose of the product in household waste. Instead, take it to a designated recycling center.

## Contact Information for Further Support

For further assistance or inquiries regarding safety concerns, please refer to the manufacturer's official website or customer service resources. Ensure you have the product details available for a more efficient support experience.

Thank you for prioritizing safety in the use of your ONEPIECE SCOPE MOUNTS BADGER ORDNANCE 34MM UNIMOUNT ULTRA HIGH. Your adherence to these guidelines will help ensure a safe and enjoyable experience.
