# **Safety Instruction Guide for REMINGTON BOLT ACTION M16 STYLE EXTRACTORS BADGER ORDNANCE RIFLE M16 EXTRACTOR FOR 338 LAPUA**

## **Introduction**

Thank you for choosing the REMINGTON BOLT ACTION M16 STYLE EXTRACTORS BADGER ORDNANCE RIFLE M16 EXTRACTOR FOR 338 LAPUA. This guide provides essential safety information and instructions for the proper use and installation of the extractor. Please read this guide carefully to ensure safe handling and operation.

## **General Safety Guidelines**

- **Product Safety:**
  - Ensure safe use of the extractor by following all guidelines.
  - Be aware of risks not addressed by other regulations.
- **Enhanced Recalls:**
  - Stay informed about potential recalls and safety notices.
- **Online Shopping:**
  - Ensure that any online purchase complies with safety requirements.
- **Special Consumer Focus:**
  - Extra care should be taken when this product is used by individuals who may be more vulnerable, including inexperienced users.
- **EU Contact Point:**
  - For safety inquiries, ensure you have access to an EUbased contact.
- **Rapid Alerts:**
  - Regularly check for updates on unsafe products through the EU Safety Gate platform.

## **Specific Safety Precautions for Use**

- Always inspect the extractor before use to ensure it is free from damage.
- Use the extractor only with compatible firearms and ammunition types.
- Ensure that the firearm is unloaded before installation or maintenance.
- Wear appropriate safety gear, including eye protection, when handling firearms and accessories.
- Do not attempt to modify the extractor or firearm beyond the recommended specifications.
- Keep the extractor and all firearm components out of reach of children and unauthorized users.
- If you experience any issues during use, cease operation immediately and consult a qualified gunsmith.

## **Instructions for Installation and Usage**

- **Installation:**

1. Ensure that the firearm is unloaded and pointed in a safe direction.
2. Remove the existing extractor from the bolt, following the manufacturer's instructions.
3. Install the new extractor by aligning it correctly in the bolt assembly.
4. Secure the extractor with the provided roll pin and ensure it is properly seated.
5. Install the extractor spring as per the instructions provided.
6. Reassemble the bolt and test for proper function before using the firearm.

- **Usage:**

- Use the extractor in accordance with the firearm's operating manual.
- Monitor the performance of the extractor during use, particularly when firing sticky cartridges.
- If the extractor fails to function as intended, stop using the firearm and seek assistance from a qualified gunsmith.

## **Disposal Instructions**

- Dispose of any damaged or worn extractors in accordance with local regulations.
- Do not dispose of extractors in regular household waste.
- Consider recycling options for metal components where applicable.

## **Contact Information for Further Support**

For further assistance, please consult a qualified gunsmith or refer to your local firearm regulations for authorized support services.
