# Safety Instruction Guide for AR15/M16 GEN 3 Ambidextrous Charging Handle

## Introduction

Thank you for choosing the AR15/M16 GEN 3 Ambidextrous Charging Handle from Badger Ordnance. This product is designed to enhance your shooting experience by providing easier manipulations. It is essential to follow all safety guidelines and instructions to ensure safe and effective use of this product.

## General Safety Guidelines

- Always treat the firearm as if it is loaded.
- Ensure that the firearm is pointed in a safe direction at all times.
- Keep your finger off the trigger until ready to shoot.
- Store the charging handle and firearm in a secure location, out of reach of children and unauthorized users.
- Regularly inspect the charging handle for signs of wear or damage before each use.
- Do not use the charging handle if it is damaged or malfunctioning.
- Be aware of your surroundings and ensure that you have a clear line of sight before charging the rifle.

## Specific Safety Precautions for Use

- Use only with AR15/M16 compatible firearms.
- Ensure the firearm is unloaded before attaching or detaching the charging handle.
- Avoid using excessive force when manipulating the charging handle.
- Use the charging handle with both hands when possible for increased stability.
- Be cautious of any obstructions that may interfere with the charging handle's operation.
- If you experience any difficulties while using the charging handle, cease use immediately and consult a qualified gunsmith.

## Instructions for Installation and Usage

### Installation

1. Ensure the firearm is completely unloaded and pointed in a safe direction.
2. Remove the existing charging handle by pulling it out of the receiver.
3. Align the new AR15/M16 GEN 3 Ambidextrous Charging Handle with the receiver.
4. Insert the charging handle into the receiver, ensuring it is seated properly.
5. Test the charging handle by pulling it back to ensure smooth operation.

### Usage

- To charge the rifle, grip the charging handle using either the finger and thumb grip or the palm of your hand.
- Pull the charging handle back firmly to chamber a round.
- Release the charging handle to allow it to return to its original position.
- Always check the chamber to ensure a round has been properly loaded before firing.

## Disposal Instructions

- Dispose of the charging handle in accordance with local regulations for electronic waste and firearm accessories.
- Do not dispose of the charging handle in regular household waste.

- Contact local waste management authorities for guidance on proper disposal methods.

## **Contact Information for Further Support**

For any questions or concerns regarding the AR15/M16 GEN 3 Ambidextrous Charging Handle, please consult the manufacturer's website or contact your local dealer for assistance.

Thank you for prioritizing safety and compliance with these guidelines. Enjoy your shooting experience responsibly!
