MAXIMIZED SCOPE RINGS BADGER ORDNANCE

30MM MEDIUM ALUMINUM SCOPE RINGS Safety Instruction Guide

Introduction

Thank you for choosing the MAXIMIZED SCOPE RINGS by Badger Ordnance. These highquality aluminum scope rings are designed for secure mounting of large, heavy scopes on hardrecoiling guns. This guide provides essential safety instructions to ensure the safe use of this product in compliance with the EU General Product Safety Regulation (GPSR).

General Safety Guidelines

- Ensure that the scope rings are compatible with your firearm and scope specifications.
- Regularly inspect the scope rings for any signs of wear or damage before each use.
- Keep the product out of reach of children and vulnerable individuals.
- Always follow local laws and regulations regarding firearms and accessories.
- Report any unsafe products or incidents to relevant authorities.

Specific Safety Precautions for Use

- **Hazard Awareness:** Be aware of the potential hazards associated with improper installation or use of scope rings, which may include:
 - Scope misalignment leading to inaccurate shooting.
 - Scope detachment during use, causing injury or damage.
- **Installation Precautions:**
 - Use the appropriate tools to install the scope rings securely.
 - Do not overtighten the screws, as this may damage the rings or firearm.
- **Usage Precautions:**
 - Ensure that the scope is properly mounted and secure before use.
 - Avoid using the scope rings with incompatible scopes or firearms.
 - Do not expose the scope rings to extreme temperatures or harsh chemicals.

Instructions for Installation and Usage

1. Installation:

- Ensure you have the following tools ready: a torque wrench and appropriate screwdrivers.
- Place the scope rings on the mounting base of your firearm, aligning them with the desired position.
- Insert the screws into the rings and tighten them to the manufacturer's recommended torque settings. Refer to the specifications for the correct torque values.
- Doublecheck the alignment and security of the scope before proceeding.

2. Usage:

- Once installed, check the scope's alignment through the rings and adjust as necessary.

- Always handle your firearm and scope with care, ensuring they are pointed in a safe direction.
- Regularly check the tightness of the scope rings during use, especially after extended shooting sessions.

Disposal Instructions

- Dispose of the product in accordance with local regulations for aluminum and metal waste.
- Do not throw the product in regular household waste.
- Consider recycling the product if facilities are available in your area.

Contact Information for Further Support

For any inquiries regarding safety, installation, or product support, please contact the manufacturer directly through their official communication channels. Ensure you have the product details ready for reference.

Thank you for your attention to these safety instructions. Your safety and the safety of others is our priority. Enjoy your shooting experience with the MAXIMIZED SCOPE RINGS by Badger Ordnance.
