## 34MM MEDIUM ALUMINUM SCOPE RINGS Safety

### Instruction Guide

#### Introduction

Thank you for choosing the MAXIMIZED SCOPE RINGS by Badger Ordnance. These scope rings are designed to provide a secure and stable mounting solution for your optics on hardrecoiling firearms. This safety instruction guide is intended to ensure your safe and effective use of this product, in compliance with the EU General Product Safety Regulation (GPSR).

#### General Safety Guidelines

- Ensure that the scope rings are compatible with your firearm and scope specifications.
- Regularly inspect the scope rings for any signs of wear or damage before use.
- Always use the scope rings as intended and follow the manufacturer's specifications.
- Keep this product out of reach of children and vulnerable individuals.
- If you notice any irregularities during installation or use, cease use immediately and consult a professional.

#### Specific Safety Precautions for Use

- **Hazard Identification:** Improper installation or use can lead to scope misalignment or detachment, which may cause injury or damage.
- **Avoid Overtightening:** When securing the rings to the mount, do not exceed recommended torque specifications to prevent damage to the hardware or firearm.
- **Check Compatibility:** Ensure that the scope tube diameter of 34mm matches your scope specifications to avoid improper fit.
- **Use Protective Gear:** When installing or adjusting the scope rings, consider wearing safety glasses to protect your eyes from potential debris.

#### Instructions for Installation and Usage

##### 1. Preparation:

- Gather necessary tools: a torque wrench and appropriate screwdrivers.
- Ensure the firearm is unloaded and pointed in a safe direction.

##### 2. Installation:

- Place the scope rings onto the mount and align them according to the manufacturer's instructions.
- Secure the rings using the provided hardware and a torque wrench. Follow the recommended torque settings:
  - Standard .823" (2cm)
  - Medium .885" (22.5mm)
  - Medium High 1.0" (2.5cm)
  - High 1.125" (2.8cm)
  - Ultra High 1.378" (3.5cm)
- Check that the rings are firmly attached and the scope is properly seated within the rings.

##### 3. Usage:

- Regularly check the tightness of the scope rings, especially after heavy use or transportation.
- Adjust your scope as needed, ensuring it remains securely mounted.

## Disposal Instructions

- Dispose of the product in accordance with local regulations regarding aluminum and metal waste.
- Do not dispose of in regular household waste if your area has specific recycling guidelines for metals.

## Contact Information for Further Support

For inquiries related to safety, installation, or product performance, please contact the manufacturer directly through their official channels. Always ensure you have the product details at hand when seeking support.

By following these guidelines, you can ensure the safe and effective use of your MAXIMIZED SCOPE RINGS from Badger Ordnance. Thank you for prioritizing safety and compliance.
