

LOW PROFILE HARRIS BIPOD MOUNTS - BADGER ORDNANCE LOW PROFILE HARRIS PICATINNY MOUNT BLACK

[Optics & Mounting](#) > [Rings, Mounts & Bases](#) > [Mount Sets](#)

Rock-Solid, Low-Profile Mount for Popular Harris Bipods

BADGER ORDNANCE LOW PROFILE HARRIS BIPOD MOUNTS The Badger Ordnance Low-Profile Harris Bipod Mount replaces your current mounting plate and thumbscrew to provide a more streamlined, lower-profile attachment point for Harris Engineering swivel-style bipods. It can be easily installed for use with any Harris BRM-S bipod in just a few minutes. Badger Ordnance's engineers designed the Low-Profile Harris Bipod Mount to be strong enough that it can even be used for barricade-braced shooting without the risk of the mount breaking. **FEATURES** For use with Harris BRM-S bipods Includes all necessary mounting hardware - Installation tool is not included Picatinny model attaches to any MIL-STD 1913 Picatinny accessory rail M-LOK® attaches to any handguard with Magpul M-LOK® attachment points The strength of Badger Ordnance's Low-Profile Harris Bipod Mount comes from its construction. It's machined from extra-strong 7075 T6 aluminum alloy - no flimsy plastic parts to fail - with a tough, corrosion-resistant Type III hardcoat anodized finish for a lifetime of stalwart service.

Safety Instruction Guide for Badger Ordnance Low Profile Harris Bipod Mount

Introduction

Thank you for choosing the Badger Ordnance Low Profile Harris Bipod Mount. This guide provides essential safety information, installation instructions, and proper usage guidelines to ensure your safety and satisfaction while using this product. Please read this guide carefully before use.

General Safety Guidelines

- Ensure that the bipod mount is compatible with your specific Harris BRMS bipod model.
- Always inspect the bipod mount for any signs of damage or wear before installation and use.
- Use the bipod mount only for its intended purpose, as described in this guide.
- Keep the bipod mount out of reach of children and vulnerable individuals to prevent accidents.
- Report any unsafe conditions or incidents to the appropriate authorities.
- Stay informed about product recalls and safety notices via the EU's Safety Gate platform.

Specific Safety Precautions for Use

- Do not exceed the weight limit specified by the bipod manufacturer.
- Ensure that the bipod mount is securely attached to the Picatinny rail before use.
- Avoid using the bipod mount in adverse weather conditions that may compromise its stability.
- Do not modify the bipod mount in any way, as this may affect its performance and safety.
- When using the bipod for barricadebraced shooting, ensure that the mount is properly secured to prevent breakage.

Instructions for Installation and Usage

Installation

1. Gather all necessary tools and hardware. Note that the installation tool is not included.
2. Remove the existing mounting plate and thumbscrew from your Harris BRMS bipod.
3. Align the Badger Ordnance Low Profile Harris Bipod Mount with the mounting points on your bipod.
4. Secure the mount in place using the provided mounting hardware.
5. Ensure that all screws are tightened properly to avoid any movement during use.

Usage

1. Attach the bipod mount to a compatible MILSTD 1913 Picatinny accessory rail or an MLOK® handguard.
2. Ensure the attachment is secure before using the bipod.
3. When in use, maintain a stable shooting position to avoid any accidents.
4. Regularly check the mount and bipod for any signs of wear or damage during use.

Disposal Instructions

- Dispose of the Badger Ordnance Low Profile Harris Bipod Mount in accordance with local regulations.
- Do not dispose of the product in regular household waste.
- If the product is damaged or no longer usable, consider recycling materials where possible.

Contact Information for Further Support
