

# ANGLE COSINE INDICATOR RING CAP KIT - BADGER ORDNANCE

## ANGLE COSINE INDICATOR WITH 30MM ACI RING CAP

[Home](#)

### Takes the Guesswork Out of Uphill or Downhill Shots

Badger Ordnance's Angle Cosine Indicator (ACI) Kit sets you up with the apparatus help you make accurate shots at high upward or downward angles. Badger's own Angle Cosine Indicator tool tells you how much your rifle is off level so you can adjust your scope and make sure you shots fly true. The Angle Cosine Indicator Kit includes an ACI Ring Cap that replaces the top half of your Badger Ordnance scope rings with a mount for the ACI. It positions the ACI so you can read your trajectory angles simply by shifting your eyes from the scope to the cosine indicator. Separate kits for mounting on Badger Ordnance 30mm (4-screw) Screws not included - reuse the cap screws that came with your rings Machined 6061 T6 aluminum, hardcoat anodized, matte black The Badger Ordnance Angle Cosine Indicator (ACI) Kit is a one-stop solution for making sure those tricky uphill and downhill shots result in hits, not misses.

# ANGLE COSINE INDICATOR RING CAP KIT SAFETY INSTRUCTIONS

## Introduction

Thank you for choosing the Badger Ordnance Angle Cosine Indicator (ACI) Kit. This product is designed to help you make accurate shots at high upward or downward angles. Please read this safety instruction guide carefully to ensure safe and effective use of the ACI Kit.

## General Safety Guidelines

- Ensure that you are familiar with your rifle and its components before using the ACI Kit.
- Always handle firearms with care and follow all local laws and regulations regarding firearm use.
- Store the ACI Kit in a safe place, out of reach of children and unauthorized users.
- Regularly inspect the ACI Kit for any signs of damage or wear. Do not use if damaged.
- Report any unsafe products or accidents to the relevant authorities.

## Specific Safety Precautions for Use

- Always ensure that the rifle is unloaded before installing or adjusting the ACI Kit.
- Do not attempt to use the ACI Kit while the rifle is loaded or in a livefire situation.
- Avoid using the ACI Kit in adverse weather conditions that may impair visibility or safety.
- Be aware of your surroundings and ensure that you have a clear line of sight when using the ACI Kit.
- Follow all manufacturer's instructions for installation and usage to avoid potential hazards.

## Instructions for Installation and Usage

### 1. Installation of the ACI Ring Cap:

- Remove the existing top half of your Badger Ordnance scope rings.
- Carefully align the ACI Ring Cap with the scope ring base.
- Reuse the cap screws that came with your rings to secure the ACI Ring Cap in place.
- Ensure that the ACI is firmly positioned and does not wobble.

### 2. Using the Angle Cosine Indicator:

- Once installed, position your rifle as needed for your shot.
- Shift your eyes from the scope to the ACI to read your trajectory angles.
- Make necessary adjustments to your scope based on the readings from the ACI.
- Always confirm your adjustments before taking a shot.

### 3. PostUsage:

- After use, remove the ACI Kit if you do not plan to use it again soon.
- Store the ACI Kit in a protective case to prevent damage.

## Disposal Instructions

- Dispose of the ACI Kit according to local regulations regarding electronic waste and materials.
- Do not dispose of the ACI Kit in regular household waste.
- If the product is damaged beyond repair, take it to a designated collection point for proper disposal.

## **Contact Information for Further Support**

For any inquiries or concerns regarding the ACI Kit, please refer to the manufacturer's contact information provided with your product.
