

# 35MM ONE PIECE UNIMOUNTS - 35MM UNIMOUNT ULTRA HIGH 1.5 0 MOA

[Optics & Mounting](#) > [Rings, Mounts & Bases](#) > [Mount Sets](#)

## Sturdy, Stable One-Piece Mount for 35mm Scopes

The Badger Ordnance 35mm UniMount incorporates both scope rings in a lightweight, one-piece scope mount that's easy to install and remove from your rifle. The 35mm UniMount has a full-length base that clamps securely to a Picatinny receiver rail and provides plenty of height so there's plenty of clearance even for a scope with a very large objective bell. Accepts newer scopes with the larger 35mm O.D. scope body Clamps to any MIL-STD 1913 Picatinny rail 0 MOA - no built-in elevation Machined 6061 T6 aluminum, mil-spec hardcoat anodized, matte black The sturdy, monolithic construction of the Badger Ordnance 35mm UniMount ensures it will stand up to the heavy recoil of even punishing magnum cartridges.

# 35MM ONE PIECE UNIMOUNTS Safety Instruction Guide

## Introduction

Thank you for choosing the Badger Ordnance 35mm UniMount. This guide provides essential safety instructions to ensure the correct and safe use of your product. Please read this guide carefully before installation and use to avoid any potential hazards.

## General Safety Guidelines

- Ensure that the product is used only as intended and in accordance with the manufacturer's instructions.
- Always inspect the UniMount for any signs of damage before installation.
- Keep the product out of reach of children and vulnerable individuals.
- Report any unsafe products or accidents to the relevant authorities.
- Stay informed about product recalls by checking the EU's Safety Gate platform regularly.

## Specific Safety Precautions for Use

### • Potential Hazards:

- Improper installation may lead to scope misalignment or detachment, which can cause injury or damage.
- Heavy recoil from the rifle may affect the mount's stability if not properly secured.

### • Avoiding Hazards:

- Always ensure that the mount is securely fastened to the Picatinny rail before use.
- Regularly check the tightness of the mount and scope rings during use.
- Use appropriate tools for installation and adjustments to prevent slippage and injury.

### • AgeSpecific Warnings:

- This product is not suitable for use by children. Adult supervision is required during installation and adjustments.

## Instructions for Installation and Usage

### 1. Installation:

- Ensure your rifle is unloaded and pointed in a safe direction.
- Clean the Picatinny rail where the mount will be installed.
- Align the UniMount with the desired position on the rail.
- Secure the UniMount to the rail using the provided screws, ensuring that they are tightened adequately.
- Check for proper alignment and stability before proceeding to attach the scope.

### 2. Attaching the Scope:

- Place the scope into the rings of the UniMount.
- Adjust the scope's position to achieve the desired eye relief.
- Tighten the scope rings evenly to secure the scope in place without overtightening.

### 3. **Usage:**

- Regularly inspect the mount and scope for any signs of wear or loosening.
- Avoid using the rifle in conditions that may compromise the mount's integrity, such as extreme temperatures or heavy moisture.

## **Disposal Instructions**

- Dispose of the product in accordance with local regulations regarding electronic waste and aluminum materials.
- Do not dispose of the product in regular household waste.

## **Contact Information for Further Support**

For any inquiries or additional support regarding the Badger Ordnance 35mm UniMount, please contact the manufacturer directly through the provided customer service channels. Ensure that your inquiries are directed to a representative knowledgeable about product safety and compliance with the EU General Product Safety Regulation (GPSR).

Thank you for your attention to these safety instructions. Enjoy your experience with the Badger Ordnance 35mm UniMount, and always prioritize safety in your shooting activities.
