

AR-15/M16 TACTICAL LATCH - TACTICAL LATCH

[Rifle Parts](#) > [Bolt Parts](#) > [Charging Handle Parts](#) > [Latches](#)

One Hand Operation Of Charging Handle

Oversized for quick access from all shooting positions. Allows brisk, easy operation with left hand. Makes the charging handle easier to find and operate, especially on scope-mounted flat top receivers. Great for three gun shooters; expedites reloads and immediate action drills. Legal for NRA High Power, Match Rifle shooters. Works on all AR-15/M16-type rifles including the AR-10 and SR-25. Easy, no-gunsmithing installation.

AR15/M16 Tactical Latch Safety Instructions

Introduction

Thank you for choosing the AR15/M16 Tactical Latch. This product is designed to enhance your shooting experience by providing quick access and ease of operation. Please read this safety instruction guide carefully to ensure safe and effective use of the Tactical Latch.

General Safety Guidelines

- Ensure that the Tactical Latch is installed correctly before use.
- Always treat firearms as if they are loaded, even if they are not.
- Keep the Tactical Latch and all firearm accessories out of reach of children.
- Use this product only with compatible firearms as specified.
- Regularly inspect the Tactical Latch for wear or damage.
- Report any unsafe products or incidents to the relevant authorities.
- Stay informed about recall updates through the EU's Safety Gate platform.

Specific Safety Precautions for Use

• Installation Safety:

- Confirm that the firearm is unloaded before installation.
- Avoid using excessive force during installation to prevent damage.

• Operational Safety:

- Ensure your hands are dry and free from any substances that could affect grip.
- Familiarize yourself with the charging handle's location and operation before live use.

• Storage Safety:

- Store your firearm with the Tactical Latch in a secure location.
- Use a gun safe or lockbox to prevent unauthorized access.

• Vulnerable Groups:

- Keep firearms and accessories, including the Tactical Latch, away from children and unauthorized users.

• Emergency Procedures:

- In case of malfunction or injury, follow standard emergency protocols and seek medical assistance if needed.

Instructions for Installation and Usage

Installation Steps

1. Preparation:

- Ensure the firearm is completely unloaded.
- Gather necessary tools if required (refer to product specifications).

2. Removing the Old Latch:

- Carefully remove the existing latch by following the manufacturer's instructions for your specific firearm model.

3. Installing the Tactical Latch:

- Align the Tactical Latch with the charging handle.
- Gently press or slide the Tactical Latch into place until it clicks or locks securely.
- Verify that the latch is firmly attached.

4. Final Check:

- Conduct a functionality test by operating the charging handle to ensure smooth operation.

Usage Instructions

- To operate the Tactical Latch:
 - Position your left hand on the latch for quick access.
 - Pull the latch back to engage the charging handle.
 - Release the latch to return to the original position.
- Practice using the Tactical Latch in a safe environment before engaging in live shooting.

Disposal Instructions

- Dispose of the Tactical Latch in accordance with local regulations regarding metal waste.
- Do not dispose of the Tactical Latch in regular household waste.
- If the product is damaged or no longer functional, ensure it is securely stored until disposal.

Contact Information for Further Support

For any inquiries regarding the AR15/M16 Tactical Latch, please consult the manufacturer's website or customer service resources. It is important to have access to support for any questions or concerns pertaining to safety and usage.

Thank you for your attention to these safety instructions. Your adherence to these guidelines will help ensure a safe and enjoyable shooting experience with your AR15/M16 Tactical Latch.
