## SCOPE RINGS Safety Instruction Guide

### Introduction

Thank you for choosing the MAXIMIZED SCOPE RINGS 30MM MEDIUM STEEL SCOPE RINGS. These heavyduty scope rings are designed to securely hold large, heavy scopes on hardrecoiling guns. This guide provides essential safety instructions and usage information to ensure your safety and the proper functioning of the product.

### General Safety Guidelines

- Always handle the scope rings with care to avoid injury.
- Ensure that the scope rings are compatible with your firearm before installation.
- Regularly inspect the scope rings for any signs of wear or damage.
- Follow all local laws and regulations regarding firearm accessories.
- Keep the product out of reach of children and unauthorized users.
- Be aware of your surroundings while using firearms equipped with these scope rings.

### Specific Safety Precautions for Use

- **Compatibility Check:** Verify that your scope and firearm are compatible with the 30mm scope rings.
- **Weight Limit:** Do not exceed the recommended weight limit for the scope rings to avoid failure.
- **Installation:** Ensure that the rings are securely fastened to prevent any movement during use.
- **Inspection:** Periodically inspect the rings for tightness and any signs of damage or corrosion.
- **Firearm Handling:** Always treat your firearm as if it is loaded. Follow the basic rules of firearm safety at all times.
- **Vulnerable Groups:** This product is not intended for use by children. Ensure that it is used only by responsible adults.

### Instructions for Installation and Usage

#### 1. Preparation:

- Gather all necessary tools, including a torque wrench and the appropriate size screwdriver.
- Ensure that your firearm is unloaded and pointed in a safe direction.

#### 2. Installation:

- Align the scope rings with the mounting base on your firearm.
- Place the scope into the rings and adjust it to your desired position.
- Secure the scope rings by tightening the screws evenly. Use a torque wrench to apply the recommended torque settings.
- Doublecheck that the scope is level and securely mounted.

#### 3. Usage:

- After installation, check the scope rings for stability before firing.
- Regularly check the tightness of the screws after use, especially after heavy shooting sessions.
- If you notice any movement or instability, stop using the firearm immediately and inspect the scope rings.

## **Disposal Instructions**

- Dispose of the product in accordance with local regulations.
- Do not dispose of the product in regular household waste.
- Consider recycling the materials where possible.

## **Contact Information for Further Support**

For any inquiries regarding safety or product information, please contact your local authorized dealer or distributor. Always ensure that you have the correct information and guidance for your specific needs.

By following these guidelines, you can ensure a safe and effective use of the MAXIMIZED SCOPE RINGS 30MM MEDIUM STEEL SCOPE RINGS. Thank you for prioritizing safety and responsible usage.
