MAXIMIZED SCOPE RINGS 30MM MEDIUM HIGH STEEL SCOPE RINGS Safety Instruction Guide

Introduction

Thank you for choosing the MAXIMIZED SCOPE RINGS 30MM MEDIUM HIGH STEEL SCOPE RINGS. This guide provides essential safety instructions, installation procedures, and usage guidelines to ensure your safety and the optimal performance of your scope rings. Please read this manual thoroughly before use.

General Safety Guidelines

- Always inspect the scope rings for any damage or defects before installation.
- Ensure that the scope rings are compatible with your firearm and scope specifications.
- Use the product only for its intended purpose; do not modify or alter the scope rings.
- Keep the scope rings out of reach of children and vulnerable individuals.
- Report any accidents or unsafe conditions to the appropriate authorities.

Specific Safety Precautions for Use

- Ensure that the firearm is unloaded before installing or adjusting the scope rings.
- Avoid overtightening the rings to prevent damage to the scope or firearm.
- Regularly check the tightness of the scope rings to ensure they remain secure during use.
- Be aware of your surroundings and ensure that you are in a safe environment when using your firearm.

Instructions for Installation and Usage

1. Preparation:

- Gather all necessary tools, including a torque wrench and appropriate screwdrivers.
- Ensure that the firearm is unloaded and pointed in a safe direction.

2. Installation:

- Place the scope rings on the mount according to the manufacturer's specifications.
- Align the scope tube within the rings, ensuring it is level.
- Use the provided $\frac{1}{2}$ " nut to secure the rings to the mount. Tighten gradually and evenly to avoid warping.

3. Adjustment:

- After installation, check the alignment of the scope. Make necessary adjustments to ensure proper sighting.
- Test the security of the rings by gently shaking the scope. If there is any movement, retighten the screws.

4. Usage:

- When using your firearm, maintain a firm grip and be aware of recoil.
- Regularly inspect the scope rings for wear and tear, especially after extensive use.

Disposal Instructions

- Dispose of the packaging and any unused components in accordance with local regulations.

- Do not dispose of the scope rings in household waste. Check for local recycling programs or hazardous waste disposal options.

Contact Information for Further Support

For any inquiries regarding safety, installation, or usage of the MAXIMIZED SCOPE RINGS 30MM MEDIUM HIGH STEEL SCOPE RINGS, please contact the manufacturer or your local dealer for assistance.

By following these safety instructions and guidelines, you can ensure a safe and enjoyable experience with your MAXIMIZED SCOPE RINGS. Thank you for your attention to safety.
