

# 700 LONG ACTION TACTICAL BOTTOM METAL - BADGER ORDNANCE REMINGTON 700 LONG ACTION TACTICAL FLOORPLATE

[Rifle Parts](#) > [Receiver Parts](#) > [Bottom Metals](#)

## Solid Steel For Rough Duty Use

Heavy duty, steel replacement for the aluminum factory part. Gives additional strength and durability to tactical use rifles. Oberndorf-type floorplate latch holds secure yet provides rapid unloading of loaded magazine. Front and rear tangs are thicker for additional clamping power; allows contouring to match stock perfectly. Requires minor inletting. Socket head screws included.

## Attributes

- Name: [BADGER ORDNANCE REMINGTON 700 LONG ACTION TACTICAL FLOORPLATE](#)

# Safety Instruction Guide for 700 Long Action Tactical Bottom Metal

## Introduction

Thank you for choosing the 700 Long Action Tactical Bottom Metal by Badger Ordnance. This guide provides essential safety instructions to ensure the safe use, installation, and disposal of this product in compliance with the EU General Product Safety Regulation (GPSR). Please read this guide carefully before use.

## General Safety Guidelines

- Ensure that all users of this product are familiar with firearm safety practices.
- Always treat firearms as if they are loaded, even when they are not.
- Use this product only with compatible Remington 700 Long Action Tactical rifles.
- Keep this product out of reach of children and unauthorized users.
- Inspect the product before each use for any signs of damage or wear.
- Report any unsafe conditions or incidents to the appropriate authorities.

## Specific Safety Precautions for Use

### • Installation Precautions:

- Ensure that the firearm is unloaded before beginning the installation process.
- Use appropriate tools and wear safety goggles during installation to prevent injury.
- Follow the installation instructions carefully to avoid improper fitting.

### • Usage Precautions:

- Do not exceed the manufacturer's recommended load limits.
- Ensure that the magazine is properly seated before firing.
- Be aware of your surroundings and ensure a safe shooting environment.

### • Maintenance Precautions:

- Regularly clean and inspect the product for any signs of corrosion or damage.
- Store the product in a dry environment to prevent rust and deterioration.
- Replace any damaged parts immediately to maintain safety.

## Instructions for Installation and Usage

### 1. Installation:

- Ensure the firearm is unloaded.
- Remove the existing floorplate from the magazine assembly.
- Align the 700 Long Action Tactical Bottom Metal with the magazine well.
- Secure the bottom metal using the included socket head screws.
- Check that the floorplate latch operates smoothly and securely.

### 2. Usage:

- Load the magazine with the appropriate ammunition.
- Insert the magazine into the firearm until it clicks into place.
- To unload, press the floorplate latch and allow the ammunition to drop free.

- Always perform a function check to ensure proper operation before use.

## Disposal Instructions

- Dispose of the product in accordance with local regulations regarding metal recycling.
- Do not dispose of the product in regular household waste.
- If the product is damaged beyond repair, contact your local recycling center for appropriate disposal methods.

## Contact Information for Further Support

For any questions or additional support regarding the 700 Long Action Tactical Bottom Metal, please reach out to the manufacturer or your retailer. Always ensure that you have the product details ready when seeking assistance.

**Important Note:** This safety instruction guide is designed to help ensure the safe use of the 700 Long Action Tactical Bottom Metal. Always prioritize safety and consult a qualified professional if you have any doubts or concerns regarding the installation or use of this product.
