## 30MM ULTRA HIGH STEEL SCOPE RINGS Safety Instruction Guide

### Introduction

Thank you for choosing the MAXIMIZED SCOPE RINGS by BADGER ORDNANCE. This guide provides essential safety instructions and information to ensure the safe use and installation of your scope rings. Please read this guide carefully before using the product.

### General Safety Guidelines

- Always ensure that the scope rings are compatible with your firearm and scope.
- Inspect the scope rings for any signs of damage or defects before installation.
- Ensure that the installation is performed in a safe environment, away from distractions.
- Always follow the manufacturer's instructions for your specific firearm when mounting accessories.
- Keep the product out of reach of children and vulnerable individuals.

### Specific Safety Precautions for Use

- **Heavy Load Caution:** These scope rings are designed for large, heavy scopes. Ensure that your firearm can handle the weight of the scope and rings.
- **Recoil Consideration:** Be aware that hardrecoiling guns may exert significant force on the scope rings. Regularly check the integrity of the rings after use.
- **Eye Protection:** Always wear appropriate eye protection when using firearms equipped with mounted scopes.
- **Proper Handling:** Avoid dropping or mishandling the scope rings, as this may cause structural integrity issues.

### Instructions for Installation and Usage

#### 1. Preparation:

- Gather all necessary tools, including a torque wrench and appropriate screws.
- Ensure your firearm is unloaded and pointed in a safe direction.

#### 2. Installation Steps:

- Remove any existing scope rings from your firearm.
- Place the MAXIMIZED SCOPE RINGS onto the mounting base of your firearm.
- Align the rings to ensure they are level and properly positioned for your scope.
- Secure the rings using the provided screws and the torque wrench. Follow the manufacturer's recommended torque specifications.
- After installation, doublecheck that the rings are tightly secured and that there is no movement.

#### 3. Usage:

- Once installed, carefully mount your scope into the rings.
- Adjust the scope to your desired position and ensure it is securely fastened.
- Before firing, conduct a function check to ensure that everything is stable and secure.

## **Disposal Instructions**

- Dispose of any packaging materials in accordance with local waste management regulations.
- If the product reaches the end of its life, dispose of it as metal waste. Check with local authorities for proper disposal methods for steel products.

## **Contact Information for Further Support**

For further assistance or inquiries regarding safety, please consult the manufacturer's website or contact your local distributor. Ensure you have the product details on hand for reference.

## **Conclusion**

By following these safety instructions and guidelines, you can ensure a safe and enjoyable experience with your MAXIMIZED SCOPE RINGS. Always prioritize safety and proper handling when using firearms and their accessories. Thank you for your attention to these important safety measures.
