## **Attractive Design, Proper End Shape & Weldable/Bluable Steel Make This "The Choice" For A Professional Bolt Alteration**

Swept-back, streamlined design is ideal for converting military rifles to attractive sporters . . . or simply replacing an ugly knob with a beautifully designed new one! Properly shaped to give clearance between bolt and low scope mounting. Hollowed for weight reduction and sharp appearance (if you ever do run into a customer who wants a solid knob, can be quickly welded solid). Investment cast of 8620 steel, selected for its ideal combination of toughness and ease of working. Welds perfectly with gas or arc welder. Can be polished and blued to highest professional standards.

# BOLT ACTION LENARD BROWNELL CUSTOM BOLT KNOB SAFETY INSTRUCTIONS

## Introduction

Thank you for choosing the BOLT ACTION LENARD BROWNELL CUSTOM BOLT KNOB. This product is designed to enhance the performance and aesthetics of your rifle. To ensure safe use and compliance with regulations, please read this safety instruction guide carefully.

## General Safety Guidelines

- Always handle firearms and related accessories with care.
- Ensure that the product is suitable for your specific rifle model.
- Inspect the product for any damage before installation.
- Follow all local laws and regulations regarding firearm modifications.
- Keep this product out of reach of children and unauthorized users.
- Do not use the product if it shows signs of wear or damage.

## Specific Safety Precautions for Use

- Ensure that the rifle is unloaded before installing or modifying any components.
- Avoid using excessive force during installation to prevent damage to the bolt knob or the rifle.
- If you are unfamiliar with firearm modifications, seek assistance from a qualified gunsmith.
- Be aware of the potential for sharp edges on the bolt knob during installation and use.
- If using a solid knob option, ensure proper welding techniques are followed to avoid accidents.

## Instructions for Installation and Usage

### 1. Preparation

- Ensure the rifle is unloaded and in a safe condition.
- Gather necessary tools, including a wrench and welding equipment (if applicable).

### 2. Installation Steps

- Remove the existing bolt knob from the rifle by unscrewing it.
- Align the BOLT ACTION LENARD BROWNELL CUSTOM BOLT KNOB with the bolt handle.
- Securely attach the new knob by screwing it onto the bolt handle. Ensure it is tightened properly but avoid overtightening.
- If opting for a solid knob, weld the knob securely using appropriate techniques.

### 3. PostInstallation Check

- After installation, check the clearance between the bolt and any mounted scopes.
- Test the functionality of the bolt to ensure smooth operation.

## Disposal Instructions

- Dispose of any packaging materials in accordance with local recycling regulations.
- If the product becomes damaged beyond use, dispose of it in a manner that prevents any potential hazards.
- Always consider recycling options for metal components where possible.

## **Contact Information for Further Support**

For any questions or concerns regarding the BOLT ACTION LENARD BROWNELL CUSTOM BOLT KNOB, please refer to the product packaging or visit the manufacturer's website for more information on support and warranty.

Thank you for prioritizing safety and compliance while using this product. Enjoy your enhanced shooting experience!
