

# RIFLE LENARD BROWNELL GRIP CAP - BILLINGSLEY & BROWNELL EXTRA GRIP CAP SCREW

[Gunsmith Tools](#) > [Stock Work & Finishing](#) > [Custom Stock Hardware](#)

## Designed By The Old Master Himself

Lenard Brownell designed this continental style steel grip cap to satisfy his own need for a quality grip cap that would look like it "belonged" on his superb custom rifles. Now available to the trade, this beautiful cap is 8620 steel, which blues, engraves and color casehardens very well. It is investment cast rather than stamped to give a better distribution of material and make a sturdy cap with even, well defined contours and perfect steps. The kind of grip cap you can install with pride. Classic styling will compliment any rifle whether it be a fancy, engraved work of art, or a first rate hunting rifle.

# Safety Instruction Guide for RIFLE LENARD BROWNELL GRIP CAP

## Introduction

Thank you for choosing the Lenard Brownell Grip Cap by Billingsley & Brownell. This grip cap is designed to enhance the aesthetics and functionality of your custom rifle. To ensure your safety and the longevity of the product, please read and follow these safety instructions carefully.

## General Safety Guidelines

- Always handle the grip cap and associated tools with care.
- Ensure that your workspace is clean and free from distractions while installing or using the grip cap.
- Keep the grip cap and installation tools out of reach of children and pets.
- Regularly inspect the grip cap for any signs of wear or damage.
- If you notice any defects or issues, discontinue use immediately and seek assistance.

## Specific Safety Precautions for Use

- Only use the grip cap with compatible rifle stocks to avoid any installation issues.
- Avoid using excessive force during installation, as this may damage the grip cap or the rifle stock.
- Be cautious when using tools such as screwdrivers or wrenches to avoid injury.
- Do not modify the grip cap in any way, as this may compromise its integrity and safety.
- If you are unsure about the installation process, consult a professional gunsmith for assistance.

## Instructions for Installation and Usage

### 1. Preparation:

- Gather all necessary tools, including a fulllength threaded screw, a screwdriver, and any other required tools.
- Ensure that the rifle is unloaded and pointed in a safe direction.

### 2. Installation Steps:

- Align the grip cap with the designated area on the rifle stock.
- Carefully insert the fulllength threaded screw through the grip cap and into the rifle stock.
- Use the screwdriver to tighten the screw securely, but do not overtighten to avoid damaging the grip cap or stock.
- Inspect the installation to ensure that the grip cap is securely attached and properly aligned.

### 3. Usage:

- Once installed, the grip cap can be used as intended. Ensure that it is regularly checked for security and integrity.
- Clean the grip cap periodically with a soft cloth to maintain its appearance and functionality.

## Disposal Instructions

- When disposing of the grip cap, ensure that it is done in accordance with local regulations.
- If the grip cap is damaged or no longer usable, take it to a designated waste disposal facility that accepts metal products.
- Avoid throwing the grip cap in regular household waste to minimize environmental impact.

## **Contact Information for Further Support**

For any safety inquiries or concerns regarding the Lenard Brownell Grip Cap, please refer to the contact details provided by the manufacturer or retailer from whom you purchased the product.

## **Conclusion**

By following these safety instructions, you can ensure a safe and enjoyable experience with your Lenard Brownell Grip Cap. Thank you for your attention to these guidelines, and enjoy your enhanced custom rifle!
