

SWEET'S 7.62 BORE CLEANER - 6.8 OZ BORE SOLVENT

[Gun Cleaning & Chemicals](#) > [Solvents & Degreasers](#) > [Bore Solvents](#)

A Longtime Favorite Of Benchrest Shooters & Varmint Hunters; Quickly Removes Copper & Powder Fouling

Non-abrasive, foaming-action, solvent and cleaner aggressively attacks the toughest copper, lead and plastic deposits. Dissolves baked-in carbon and powder residue in the difficult-to-clean throat area. Extra strength, instantly strips out the heaviest copper fouling in minutes, using only patches or mops. May be harmful to some plastic, painted, varnished or synthetic stock finishes.

SWEET'S 7.62 BORE CLEANER 6.8 OZ BORE SOLVENT Safety Instructions

Introduction

Thank you for choosing SWEET'S 7.62 BORE CLEANER. This product is designed to effectively clean and maintain your firearm's bore by removing copper, lead, and plastic deposits. To ensure safe and effective use, please follow the safety guidelines and instructions outlined in this document.

General Safety Guidelines

- Always read and understand the product label and safety instructions before use.
- Keep this product out of reach of children and pets.
- Use this product only as directed.
- Avoid contact with skin and eyes. If contact occurs, rinse thoroughly with water and seek medical attention if irritation persists.
- Ensure adequate ventilation when using the product to avoid inhaling fumes.
- Do not mix with other cleaning agents or chemicals, as this may cause dangerous reactions.
- Store in a cool, dry place away from heat sources and direct sunlight.
- Dispose of any unused product and packaging in accordance with local regulations.

Specific Safety Precautions for Use

- May be harmful to some plastics, painted, varnished, or synthetic stock finishes. Test on a small area before full application.
- Use gloves and safety goggles to protect your skin and eyes when using this product.
- Do not ingest. If swallowed, seek medical help immediately.
- Avoid using near open flames or heat sources, as the product is flammable.
- Keep the container tightly closed when not in use to prevent leaks and evaporation.
- Ensure that the product is used in a wellventilated area to minimize inhalation of fumes.

Instructions for Installation and Usage

1. Preparation:

- Ensure the firearm is unloaded and pointed in a safe direction.
- Gather necessary materials: patches or mops, gloves, and safety goggles.

2. Application:

- Shake the bottle well before use.
- Apply a small amount of SWEET'S 7.62 BORE CLEANER to a patch or mop.
- Insert the patch or mop into the bore and swab thoroughly. Allow the product to sit for a few minutes to dissolve deposits.

3. Cleaning:

- After the product has had time to work, use clean patches or mops to remove the dissolved fouling.
- Repeat the process if necessary until the bore is clean.

4. Final Steps:

- Once cleaning is complete, ensure that no residue remains in the bore.
- Store the product in its original container and place it in a safe location.

Disposal Instructions

- Dispose of any unused product and its container in accordance with local regulations.
- Do not pour down the drain or dispose of in regular household waste.
- Check with local waste management authorities for proper disposal methods.

Contact Information for Further Support

For safety inquiries or additional information about this product, please refer to the product packaging for contact details or consult your retailer.

By following these safety instructions, you can ensure safe and effective use of SWEET'S 7.62 BORE CLEANER. Always prioritize safety and seek assistance if you have any questions or concerns regarding the product.
