

700 EXTENDED MAGAZINE BOXES - EXTENDED MAGAZINE BOX

[Home](#)

Extra Length For Ultra Mag & .404-Based Cartridges

Precision stamped, stainless steel magazine box has .110" additional length to provide the required clearance for extra long rounds. Extended box and Long Window box have plenty of room for the popular .300 and .338 Ultra Mag and other calibers based on the .404 Jeffery case. Extra-long feed lips give reliable feeding with .284 Win. cases. Long and Short Window boxes have a triangular window that provides extra room for case shoulder; holds three rounds of these large diameter cases. Remington fits 700 ADL and BDL, requires minor modification to stock, receiver and bolt stop.

Safety Instruction Guide for 700 Extended Magazine Boxes

Introduction

Thank you for purchasing the 700 Extended Magazine Boxes. This product is designed for safe and reliable use with your Remington 700 firearms. Please read this safety instruction guide carefully to ensure proper handling, installation, and maintenance of the magazine boxes.

General Safety Guidelines

- Always handle firearms and ammunition with care and respect.
- Ensure that the firearm is unloaded before installing or removing the magazine box.
- Store ammunition and firearms in a secure location, out of reach of children and unauthorized users.
- Regularly inspect your magazine box for signs of wear or damage.
- Report any unsafe products or accidents to the appropriate authorities.
- Stay informed about product recalls by checking the EU's Safety Gate platform.

Specific Safety Precautions for Use

- Ensure that the magazine box is compatible with your specific Remington model (700 ADL or BDL).
- Use only the recommended calibers (.300, .338 Ultra Mag, etc.) with this magazine box.
- Do not exceed the stated capacity of the magazine box (ADL 3 rounds, BDL 2 rounds).
- Be cautious when loading and unloading the magazine box to avoid accidental discharge.
- Avoid using the magazine box in extreme temperatures or conditions that may affect its performance.

Instructions for Installation and Usage

1. Installation

- Ensure the firearm is unloaded and pointed in a safe direction.
- Remove the existing magazine box from your Remington 700 by following the manufacturer's instructions.
- Align the new 700 Extended Magazine Box with the magazine well of the firearm.
- Securely attach the magazine box, ensuring it is fitted correctly.
- If necessary, make minor modifications to the stock, receiver, and bolt stop as per the installation guidelines.

2. Usage

- Load the magazine box with the appropriate number of rounds, ensuring they are seated correctly.
- Insert the magazine box into the firearm until it clicks into place.
- When ready to fire, ensure the firearm is pointed in a safe direction and follow all standard firearm safety practices.
- After use, remove the magazine box and store it in a safe location.

Disposal Instructions

- Dispose of any damaged or worn magazine boxes in accordance with local regulations.
- Do not dispose of the magazine box in regular household waste. Instead, check for local recycling options or hazardous waste disposal facilities.
- Ensure that any ammunition is properly disposed of before disposing of the magazine box.

Contact Information for Further Support

For any inquiries or further support regarding the 700 Extended Magazine Boxes, please refer to the manufacturer's contact information provided with your product. Always ensure that you have the latest information regarding safety guidelines and product updates.

Thank you for your attention to these safety instructions. Your safety and the safety of others is our top priority. Enjoy your shooting experience with the 700 Extended Magazine Boxes.
