

EXTENDED MAG PAD FOR GLOCK® - TAYLOR FREELANCE DROP MAG PAD +12 170MM FOR GLOCK®

[Magazines](#) > [Handgun Magazines](#) > [Magazine Parts](#) > [Magazine Extension](#)

Increases Capacity Up To 10 More Rounds

Extended base pads of machined aluminum or Delrin® clamp securely to the magazine with an aluminum retainer plate, eliminating unexpected “speed-unloads” when a plastic snap-on extender fails. Designed to keep magazine overall length within the 140mm and 170mm USPSA and IPSC limits. Glock® models include extended magazine spring, and are available in Drop configuration that fits “drop-free” magazines or Non-Drop Pad that fits original, non-drop magazines.

Safety Instruction Guide for EXTENDED MAG PAD FOR GLOCK® TAYLOR FREELANCE DROP MAG PAD +12 170MM FOR GLOCK®

Introduction

Thank you for choosing the EXTENDED MAG PAD FOR GLOCK® TAYLOR FREELANCE DROP MAG PAD. This product is designed to enhance the performance and safety of your Glock® magazine. Please read this safety instruction guide carefully to ensure safe use and compliance with the EU General Product Safety Regulation (GPSR).

General Safety Guidelines

- Ensure that the product is compatible with your specific Glock® model (17, 17L, 19, 22, 23, 24, 18, 24C).
- Always handle firearms and firearm accessories with care and responsibility.
- Keep the product out of reach of children and unauthorized users.
- Regularly inspect the mag pad for any signs of wear or damage before use.
- Follow all local laws and regulations regarding firearm accessories.

Specific Safety Precautions for Use

- Use only the recommended magazine springs for your Glock® models to avoid malfunctions.
- Do not attempt to modify the mag pad or any associated components.
- Ensure that the magazine is securely attached to the firearm before use.
- Avoid exposing the mag pad to extreme temperatures or harsh chemicals.
- In case of any malfunction or unusual behavior, discontinue use immediately and consult a professional.

Instructions for Installation and Usage

Installation Steps

1. **Prepare the Magazine:** Ensure the magazine is empty and clean.
2. **Remove the Existing Base Pad:** If applicable, remove the original base pad from the magazine by following the manufacturer's instructions.
3. **Attach the Extended Mag Pad:**
 - Align the mag pad with the magazine.
 - Slide the mag pad onto the magazine until it clicks into place.
 - Ensure that the aluminum retainer plate is properly seated to avoid "speedunloads."
4. **Check Compatibility:** Confirm that the overall length of the magazine with the extended pad is within the 140mm and 170mm limits for USPSA and IPSC.
5. **Install Magazine Spring:** If required, replace the magazine spring with the extended spring provided.

Usage Instructions

- Insert the magazine into the firearm and ensure it locks securely in place.
- Always perform a function check to ensure proper operation before use.
- Store the firearm and magazine in a safe location when not in use.

Disposal Instructions

- Dispose of the product in accordance with local regulations for electronic waste and metal recycling.
- Do not throw the mag pad in regular household waste.

- If the product is damaged beyond repair, contact local waste management authorities for proper disposal options.

Contact Information for Further Support

For any inquiries regarding safety, compatibility, or product performance, please refer to the manufacturer's contact information provided on the packaging or product literature.

By following these safety instructions, you can ensure a safe and effective experience with your EXTENDED MAG PAD FOR GLOCK® TAYLOR FREELANCE DROP MAG PAD. Always prioritize safety and responsibility when handling firearms and their accessories.
