

# S&W MICULEK COMPETITION GRIPS - FITS K/L FRAME, ROUND BUTT GRIP

[Handgun Parts](#) > [Grip Parts](#) > [Grips](#)

## Excellent For Concealed Carry, Pin Shooting & Hunting Revolvers

Smooth, narrow design by the "fastest revolver alive" gives competition and speed shooters a fast draw and maximum recoil control. One-piece construction features an open backstrap for a comfortable grip and excellent trigger reach; provides a solid fit to the frame. Minimal size helps prevent "printing". Non-checked so clothing slides over it easily. Made of attractive Pau Ferro. JM initials etched into grips.

# S&W MICULEK COMPETITION GRIPS Safety Instruction Guide

## Introduction

Thank you for choosing the S&W MICULEK COMPETITION GRIPS, designed to enhance your shooting experience with Smith & Wesson K, L, and N frame revolvers. This guide provides essential safety instructions and guidelines to ensure safe use and maintenance of your grips.

## General Safety Guidelines

- Ensure that the grips are installed correctly before use to avoid accidents.
- Regularly inspect the grips for any signs of wear or damage.
- Keep the grips clean and free from debris to maintain optimal performance.
- Always handle your firearm safely and responsibly, following all applicable laws and regulations.
- Store your firearm securely when not in use, away from children and unauthorized users.

## Specific Safety Precautions for Use

- Do not use the grips if they are damaged or show signs of wear.
- Ensure that your hands are dry and clean when handling the grips to avoid slipping.
- Be aware of your surroundings when drawing your firearm to prevent accidental discharge.
- Always point the firearm in a safe direction when drawing or holstering.
- Use the grips only with compatible Smith & Wesson K, L, and N frame revolvers.

## Instructions for Installation and Usage

### 1. Installation

- Remove the existing grips from your revolver by unscrewing the grip screws.
- Align the S&W MICULEK COMPETITION GRIPS with the frame of the revolver.
- Secure the grips in place by tightening the grip screws firmly, but do not overtighten to avoid damaging the grip or frame.

### 2. Usage

- Familiarize yourself with the feel of the grips before engaging in competition or practice.
- Practice drawing your revolver with the new grips to ensure a smooth and quick motion.
- Regularly check the fit of the grips and tighten the screws as necessary to maintain a secure fit.

## Disposal Instructions

- Dispose of any damaged or worn grips in accordance with local regulations.
- Do not throw grips in regular household waste. Instead, check for recycling programs or hazardous waste disposal facilities in your area.

## Contact Information for Further Support

For any questions or concerns regarding the S&W MICULEK COMPETITION GRIPS, please refer to the manufacturer's website or contact customer service through the appropriate channels.

## Conclusion

By following these safety instructions and guidelines, you can ensure a safe and enjoyable experience with your S&W MICULEK COMPETITION GRIPS. Always prioritize safety and responsible handling practices. Thank you for your commitment to safe shooting.
