

S&W MICULEK COMPETITION GRIPS - FITS N FRAME, ROUND BUTT GRIP

[Handgun Parts](#) > [Grip Parts](#) > [Grips](#)

Excellent For Concealed Carry, Pin Shooting & Hunting Revolvers

Smooth, narrow design by the "fastest revolver alive" gives competition and speed shooters a fast draw and maximum recoil control. One-piece construction features an open backstrap for a comfortable grip and excellent trigger reach; provides a solid fit to the frame. Minimal size helps prevent "printing". Non-checked so clothing slides over it easily. Made of attractive Pau Ferro. JM initials etched into grips.

S&W MICULEK COMPETITION GRIPS SAFETY INSTRUCTIONS

Introduction

Thank you for purchasing the S&W MICULEK COMPETITION GRIPS, designed to enhance your shooting experience with Smith & Wesson N Frame revolvers. This guide provides essential safety instructions and guidelines to ensure the safe use of your new grips. Please read and understand these instructions before installation and use.

General Safety Guidelines

- Ensure that the grips are compatible with your specific model of Smith & Wesson revolver (N Frame, Round Butt).
- Always handle firearms with care and follow all safety protocols.
- Inspect the grips regularly for any signs of wear or damage.
- Keep the grips and the firearm out of reach of children and unauthorized users.
- Report any unsafe conditions or incidents to the appropriate authorities.

Specific Safety Precautions for Use

- Use the grips only for their intended purpose. They are designed for competition and speed shooting.
- Avoid using the grips if they show any signs of damage, such as cracks or loose fittings.
- Do not modify the grips in any way, as this may compromise their safety and performance.
- Be aware of your surroundings when using your firearm to prevent accidents.
- Always ensure the firearm is unloaded when attaching or removing the grips.

Instructions for Installation and Usage

1. Installation:

- Ensure the firearm is unloaded before beginning the installation process.
- Remove the existing grips from the revolver by unscrewing them carefully.
- Align the new S&W MICULEK COMPETITION GRIPS with the frame of the revolver.
- Secure the grips in place by tightening the screws until snug, but do not overtighten to avoid damaging the grips or the firearm.

2. Usage:

- Grip the revolver firmly using the new grips to ensure maximum control and comfort during use.
- Practice drawing the revolver with the new grips to familiarize yourself with their feel and performance.
- Maintain a proper shooting stance to enhance stability and accuracy.

Disposal Instructions

- Dispose of any packaging materials responsibly, following local recycling regulations.
- If the grips need to be replaced or discarded, ensure they are disposed of in a way that prevents them from being accessed by children or unauthorized individuals.

Contact Information for Further Support

For any inquiries regarding safety, installation, or product performance, please refer to the manufacturer's contact resources. Always ensure you have the latest information regarding your product.

Thank you for prioritizing safety and enjoying your S&W MICULEK COMPETITION GRIPS.
