# BRIGHTSIGHTS GUN SIGHT COATING FIVE COLOR KIT Safety Instruction Guide

## Introduction

Thank you for choosing the BRIGHTSIGHTS GUN SIGHT COATING FIVE COLOR KIT. This product is designed to enhance your shooting experience by providing a highly visible contrast between your sights and target. It is important to use this product safely and effectively. This guide outlines essential safety instructions, precautions, and usage guidelines to ensure your satisfaction and safety while using this product.

## General Safety Guidelines

- Ensure safe use of the product in accordance with the EU General Product Safety Regulation (GPSR).
- Be aware of potential hazards associated with the product, including possible skin irritation from contact with the coating.
- Keep the product out of reach of children and vulnerable individuals.
- Always follow the instructions for installation and usage to avoid accidents.
- Regularly check for any recall notices or safety updates on the EU's Safety Gate platform.

## Specific Safety Precautions for Use

- Always wear gloves when applying the coating to avoid skin contact.
- Ensure the area is wellventilated during application to avoid inhalation of fumes.
- Avoid using the product near open flames or high heat sources.
- Do not apply the coating to any surfaces that may come into contact with food or beverages.
- If any irritation occurs, discontinue use immediately and seek medical attention if necessary.
- Store the product in a cool, dry place away from direct sunlight and heat sources.

## Instructions for Installation and Usage

### 1. Preparation:

- Clean the surfaces of the sights thoroughly to remove any dirt, oil, or residue.
- Ensure the sights are completely dry before application.

### 2. Application:

- Shake the glass bottle well before use to ensure even distribution of the coating.
- Using gloves, apply a thin layer of the coating to the desired areas of the sights.
- For the Five Color Kit, choose from Red, White, Green, Orange, or Yellow.
- For the Ghost Glow Kit, apply the luminescent coating in Green, Yellow, or Orange as needed.

### 3. Curing:

- Allow the coating to cure for the recommended time (refer to product label for specific curing time).
- Ensure the coated sights are not touched or exposed to moisture during the curing process.

### 4. Final Inspection:

- After curing, inspect the sights to ensure even coverage and proper adhesion.
- If necessary, apply a second coat following the same application instructions.

## **Disposal Instructions**

- Dispose of any unused product and empty glass bottles according to local regulations for hazardous waste.
- Do not dispose of the product in regular household waste.
- Check with your local waste management facility for safe disposal options.
