# VERSA POD RUBBER FEET SLING SWIVEL MOUNT MODEL 2 Safety Instruction Guide

## Introduction

Thank you for purchasing the VERSA POD RUBBER FEET SLING SWIVEL MOUNT MODEL 2. This guide provides essential safety instructions to ensure the safe and effective use of your product. Please read this guide carefully before using the product to prevent accidents and injuries.

## General Safety Guidelines

- Ensure that the product is used in accordance with the manufacturer's instructions.
- Regularly inspect the bipod and its components for any signs of wear or damage.
- Always use the product in a safe environment, free from hazards that could lead to accidents.
- Keep the product out of reach of children and vulnerable individuals.
- Dispose of any packaging materials responsibly to prevent choking hazards.

## Specific Safety Precautions for Use

- **Hazard Identification:**
  - The bipod may collapse if not properly installed or if excessive weight is applied.
  - Uneven ground can cause instability. Always ensure the bipod is used on stable surfaces.
  - The rubber feet provide traction; however, they may not prevent slipping on wet or icy surfaces.
- **Avoiding Hazards:**
  - Do not exceed the maximum load capacity of the bipod.
  - Ensure that the mounting adapter is securely attached before use.
  - Avoid using the bipod in extreme weather conditions that could affect its performance.

## Instructions for Installation and Usage

### 1. Installation:

- Ensure that you have the necessary tools for installation.
- Attach the mounting adapter to the QD swivel stud on your rifle.
- Align the bipod with the adapter and securely attach it using the pushbutton mechanism.

### 2. Usage:

- Adjust the height of the legs to suit your shooting position (9 to 12 inches).
- Ensure the legs are locked in place before using the bipod.
- Use the multipivot head to adjust the angle of the bipod for optimal stability.
- When finished, fold the legs back to the front or rear for easy transport.

### 3. Maintenance:

- Regularly clean the bipod with a soft cloth to remove dirt and debris.
- Check for any loose screws or components and tighten them as necessary.
- Store the bipod in a dry place when not in use to prevent corrosion.

## **Disposal Instructions**

- Dispose of the product in accordance with local regulations.
- Do not dispose of the product in regular household waste.
- Contact your local waste management facility for proper disposal methods for electronic and plastic components.

## **Contact Information for Further Support**

For any questions or concerns regarding the VERSA POD RUBBER FEET SLING SWIVEL MOUNT MODEL 2, please refer to the manufacturer's website or contact their customer support for assistance.

Thank you for following these safety guidelines. Enjoy your new product and use it responsibly!
