## Clears M-4 & Other Large Handguards

Weaver-style front base lets you mount electronic and optical sights and still retain the use of issue sights. Open center channel gives unrestricted view of sights; allows red dot and iron sights to be zeroed to the same point of impact. Provides clearance for M-4 and large diameter handguards equipped with integral flashlights.

## Introduction

Thank you for choosing the AR15 M4 Carry Handle Mount. This guide provides essential safety instructions and information to ensure the safe and effective use of your product. Please read this guide carefully before installation and use.

## General Safety Guidelines

- Ensure the mount is compatible with your AR15 model before installation.
- Always handle the mount with care to avoid injury.
- Keep the product out of reach of children and vulnerable individuals.
- Regularly inspect the mount for any signs of wear or damage.
- If you notice any defects, discontinue use immediately and contact support.
- Follow all instructions carefully to avoid accidents and ensure proper use.

## Specific Safety Precautions for Use

- **Mounting Surface:** Ensure that the mounting surface is clean and free from debris before installation.
- **Weight Limit:** Do not exceed the recommended weight limit for accessories mounted on the carry handle.
- **Secure Attachment:** Confirm that the mount is securely attached before using your firearm.
- **Sighting Alignment:** Ensure that electronic and optical sights are properly aligned with the iron sights to avoid misalignment during use.
- **Flashlight Clearance:** Ensure that any attached flashlights do not obstruct your view or interfere with the operation of the firearm.

## Instructions for Installation and Usage

### 1. Installation:

- Remove any existing sights from the carry handle of your AR15.
- Clean the area where the mount will be installed.
- Align the mount with the carry handle and ensure it fits securely.
- Fasten the mount using the provided screws, ensuring they are tightened properly but not overtightened to avoid stripping.
- Check that the mount is stable and does not move when pressure is applied.

### 2. Usage:

- Once installed, attach your electronic or optical sight according to the manufacturer's instructions.
- Adjust the sight as needed to align with your preferred point of impact.
- Regularly check the attachment of your sight and the mount during use.

## Disposal Instructions

- Dispose of the product in accordance with local regulations.
- Do not dispose of the product in regular household waste.
- Consider recycling the aluminum material if possible.
