

MARLIN 94 SPRING KIT

[Rifle Parts](#) > [Receiver Parts](#) > [Receiver Hardware](#) > [Springs](#)

Lighten Trigger Pull & Smooth Action Cycling

High-quality springs provide smoother action function and operation, plus reduce felt trigger pull. Coil springs are slightly reduced in diameter to eliminate guide rod spring bind.

MARLIN 94 SPRING KIT Safety Instruction Guide

Introduction

Thank you for choosing the MARLIN 94 SPRING KIT. This guide provides essential safety instructions and guidelines to ensure the safe use and operation of the product. Please read this document carefully before installation and usage.

General Safety Guidelines

- Always ensure that the firearm is unloaded before performing any maintenance or installation of the spring kit.
- Keep the product out of reach of children and unauthorized users.
- Regularly inspect the springs for signs of wear or damage. Replace if necessary.
- Use only compatible parts and accessories with your MARLIN 94 firearm.
- Follow all local laws and regulations regarding firearms and their components.

Specific Safety Precautions for Use

- **Potential Hazards:** Improper installation or use of the spring kit can result in malfunction, leading to personal injury or damage to the firearm.
- **Avoiding Hazards:**
 - Ensure that all tools used during installation are in good condition and suitable for the task.
 - Do not force any components into place; if it does not fit, recheck compatibility and alignment.
 - Do not modify the springs or any related components beyond the manufacturer's specifications.
 - Wear safety glasses when working with springs to protect your eyes from potential flying debris.

Instructions for Installation and Usage

1. Preparation:

- Gather all necessary tools, including screwdrivers and pliers.
- Ensure a clean and welllit workspace.

2. Installation Steps:

- Ensure the firearm is unloaded and pointed in a safe direction.
- Remove the existing mainspring and lever tension springs from the firearm.
- Carefully install the new springs from the MARLIN 94 SPRING KIT, ensuring they are seated properly.
- Reassemble the firearm according to the manufacturer's specifications.
- Test the action multiple times to ensure smooth operation before use.

3. Usage:

- After installation, always perform a function check to confirm that the firearm operates correctly.
- If you experience any issues, consult a qualified gunsmith for assistance.

Disposal Instructions

- Dispose of any old springs and packaging materials in accordance with local waste disposal regulations.
- Do not dispose of springs in a manner that could pose a hazard to others.

Contact Information for Further Support

For further inquiries regarding the MARLIN 94 SPRING KIT, please refer to the contact information provided by your retailer or the manufacturer. Ensure you have your product details available for a more efficient response.

By following these guidelines, you can ensure the safe and effective use of the MARLIN 94 SPRING KIT. Thank you for your attention to these safety instructions.
