

SEMI-AUTO AGRIP - FITS GLOCK® 17, 18, 22, 24, 31, 34, 35, 37

[Handgun Parts](#) > [Grip Parts](#) > [Grips](#)

Improves Handling & Control, Secure Grip Increases Accuracy

Pre-cut, wrap around sleeve sticks on easily with an ultra high-tech, pressure-sensitive adhesive. Won't peel off in harsh conditions, even under water. Provides a comfortable, secure grip for competition, law enforcement and tactical firearms. Non-slip and non-abrasive, with a soft feel that's not tacky. Extremely durable, resists splitting, tearing, abrasion, and wear. Flexible, conforms to Glock® frames with and without finger grooves. Resistant to most oils and solvents.

Safety Instruction Guide for SEMIAUTO AGRIP Fits Glock® 17, 18, 22, 24, 31, 34, 35, 37

Introduction

Thank you for choosing the SEMIAUTO AGRIP for your Glock® firearm. This product is designed to enhance your grip and improve your shooting experience. Please read this safety instruction guide carefully to ensure safe usage, installation, and maintenance of the product.

General Safety Guidelines

- Ensure that the SEMIAUTO AGRIP is compatible with your specific Glock® model before use.
- Always treat your firearm as if it is loaded, even when it is not.
- Store the AGRIP and your firearm in a secure location, away from children and unauthorized users.
- Regularly inspect the AGRIP for signs of wear or damage. Replace it if it shows any signs of deterioration.
- Follow all local laws and regulations regarding the use and modification of firearms.

Specific Safety Precautions for Use

- Do not use the AGRIP if it has become loose or detached from the firearm.
- Avoid exposing the AGRIP to extreme heat or direct sunlight for prolonged periods, as this may affect its adhesive properties.
- Do not use solvents or oils on the AGRIP, as they may degrade the material.
- Ensure your hands are clean and dry before handling the firearm to maintain a secure grip.
- If you experience any discomfort while using the AGRIP, discontinue use immediately.

Instructions for Installation and Usage

Installation

1. **Clean the Grip Area:** Ensure the surface of your Glock® frame is clean and free of debris. Use a mild soap and water solution, then dry thoroughly.
2. **Peel Off the Backing:** Carefully peel the backing off the AGRIP to expose the adhesive.
3. **Align and Apply:** Align the AGRIP with the grip of your Glock® frame. Press down firmly to ensure proper adhesion, starting from one end and working to the other.
4. **Smooth Out Air Bubbles:** Use a soft cloth to smooth out any air bubbles that may form during application.

Usage

- Hold your firearm with a firm grip, ensuring your fingers are positioned correctly on the AGRIP.
- Regularly check the grip during use to ensure it remains securely attached.
- If you need to remove the AGRIP, gently peel it off from one corner. Clean any adhesive residue with a suitable cleaner.

Disposal Instructions

- Dispose of the AGRIP according to local regulations for rubber products.
- Do not incinerate the AGRIP, as it may release harmful substances.

Contact Information for Further Support

For further assistance or inquiries regarding safety concerns, please refer to the product packaging for the

manufacturer's contact information.

By following these safety instructions, you can ensure a safe and enjoyable experience with your SEMIAUTO AGRIP. Thank you for your attention to safety!
