

MODEL 70 EXTENDED MAGAZINE BOX - M-70 EXTENDED MAGAZINE BOX

[Home](#)

Precision stamped, stainless steel magazine box has .110" additional length to provide the required clearance for extra long rounds. Extended box has plenty of room for the popular .300 and .338 Ultra Mag and other calibers based on the .404 Jeffery case. Extra-long feed lips give reliable feeding with .284 Win. cases. M-70 fits Winchester Model 70; increases magazine length from 3.4" to 3.82". Requires machining receiver and altering bolt stop and ejector.

MODEL 70 EXTENDED MAGAZINE BOX Safety Instruction Guide

Introduction

Thank you for choosing the MODEL 70 EXTENDED MAGAZINE BOX. This product is designed to enhance the functionality of your Winchester Model 70 firearm by allowing for the use of extralong rounds. It is essential to follow the safety guidelines outlined in this document to ensure safe and effective use of the magazine box.

General Safety Guidelines

- Always treat your firearm as if it is loaded.
- Ensure you are in a safe environment when handling your firearm.
- Keep the magazine box and firearm out of reach of children and unauthorized users.
- Always wear appropriate eye and ear protection when using firearms.
- Familiarize yourself with local laws and regulations regarding firearms and ammunition.
- Regularly inspect your magazine box for signs of wear or damage.
- Report any unsafe products or accidents to the appropriate authorities.

Specific Safety Precautions for Use

- Ensure that the magazine box is compatible with your specific model of Winchester Model 70.
- Only use ammunition that is specified for use with the magazine box.
- Do not exceed the recommended capacity of three rounds.
- Avoid using damaged or deformed ammunition, as it may cause malfunctions.
- Ensure the magazine box is securely installed before use.
- Do not attempt to modify or alter the magazine box beyond the specified requirements.
- If you experience any malfunctions, cease use immediately and consult a qualified gunsmith.

Instructions for Installation and Usage

Installation

1. **Preparation:** Ensure your firearm is unloaded and in a safe condition.
