

SAF-T-ROUND - FITS .223

[Shooting Accessories](#) > [Training & Safety Gear](#) > [Chamber Safety Flags](#)

Visible Proof That Chamber Is Empty; Firearm Is Safe

Bright, international orange tab gives clear indication of weapon condition. Provides the user, range safety officer and bystander alike with a visual and physical method of determining that a firearm is safe. Machined, brass case head lets you rapidly work the action and eject the Saf-T-Round. Molded from heat-resistant nylon polymer to provide lasting durability; won't deform after repeated use.

SAFTROUND .223 Safety Instruction Guide

Introduction

Thank you for choosing the SAFTROUND .223. This product is designed to enhance firearm safety by providing a clear visual indication of weapon condition. Please read this safety instruction guide carefully to ensure safe and effective use of the SAFTROUND .223.

General Safety Guidelines

- Always treat firearms as if they are loaded.
- Ensure the SAFTROUND .223 is used in a safe environment, away from children and unauthorized users.
- Regularly inspect the SAFTROUND for any signs of damage or wear before each use.
- Report any unsafe products or accidents to the appropriate authorities immediately.
- Stay informed about product recalls by checking the EU's Safety Gate platform.

Specific Safety Precautions for Use

- Use the SAFTROUND .223 only with firearms chambered for .223 Remington.
- Do not modify or alter the SAFTROUND in any way.
- Always store the SAFTROUND in a dry and cool place, away from direct sunlight and heat sources.
- Ensure that the bright international orange tab is clearly visible when the SAFTROUND is in use.
- Do not attempt to use the SAFTROUND as a projectile or for any purpose other than indicating firearm safety.

Instructions for Installation and Usage

1. Installation:

- Insert the SAFTROUND .223 into the chamber of your firearm.
- Ensure that the brass case head is properly seated and that the orange tab is visible outside the ejection port.

2. Usage:

- Always check that the firearm is pointed in a safe direction before handling.
- When using the SAFTROUND, ensure that all bystanders are aware of its presence and understand its significance as a safety indicator.
- To eject the SAFTROUND, work the action of the firearm as you would with a standard cartridge. The brass case head allows for easy ejection.

3. After Use:

- Remove the SAFTROUND from the chamber when finished.
- Store the SAFTROUND in a safe location, away from children and unauthorized users.

Disposal Instructions

- Dispose of the SAFTROUND responsibly. Do not throw it in the regular trash.
- Check local regulations for proper disposal methods for nylon polymer and brass materials.
- If unsure, contact local waste management services for guidance on safe disposal.

Contact Information for Further Support

For any questions or concerns regarding the SAFTROUND .223, please refer to the product packaging for contact information or consult your local retailer. Always ensure that you have an EUbased contact for safety inquiries.

Thank you for prioritizing safety in your firearm practices. The SAFTROUND .223 is here to help you maintain a safe environment while enjoying your shooting activities.
