

SAF-T-ROUND - FITS 12 GA. PUMP

[Shooting Accessories](#) > [Training & Safety Gear](#) > [Chamber Safety Flags](#)

Visible Proof That Chamber Is Empty; Firearm Is Safe

Bright, international orange tab gives clear indication of weapon condition. Provides the user, range safety officer and bystander alike with a visual and physical method of determining that a firearm is safe. Machined, brass case head lets you rapidly work the action and eject the Saf-T-Round. Molded from heat-resistant nylon polymer to provide lasting durability; won't deform after repeated use.

SAFTROUND FITS 12 GA. PUMP Safety Instruction Guide

Introduction

Thank you for choosing the SAFTROUND FITS 12 GA. PUMP. This product is designed to enhance firearm safety by providing a clear visual indication of the weapon's condition. It is essential to follow the safety instructions outlined in this guide to ensure safe usage and compliance with the EU General Product Safety Regulation (GPSR).

General Safety Guidelines

- Always treat every firearm as if it is loaded.
- Keep the SAFTROUND in a safe and secure location when not in use.
- Ensure that the SAFTROUND is used in a controlled environment, such as a shooting range.
- Always follow the safety protocols of your shooting range or local laws regarding firearm safety.
- Keep the SAFTROUND out of reach of children and unauthorized users.
- Regularly inspect the SAFTROUND for signs of wear or damage before use.

Specific Safety Precautions for Use

- Use the SAFTROUND only with 12gauge firearms.
- Do not modify the SAFTROUND in any way.
- Ensure that the brass case head is free from debris before insertion.
- Only use the SAFTROUND in firearms that are designed to accept it.
- If the SAFTROUND becomes damaged or deformed, discontinue use immediately.
- Always verify the condition of your firearm before inserting or removing the SAFTROUND.

Instructions for Installation and Usage

1. Inserting the SAFTROUND:

- Open the action of your firearm.
- Insert the SAFTROUND into the chamber of the firearm.
- Close the action to secure the SAFTROUND in place.
- Ensure that the bright, international orange tab is visible, indicating that the firearm is safe.

2. Ejecting the SAFTROUND:

- Open the action of your firearm.
- Use the brass case head to rapidly work the action and eject the SAFTROUND.
- Store the SAFTROUND in a safe location after use.

3. Regular Maintenance:

- Clean the SAFTROUND with a damp cloth to remove any dirt or debris.
- Avoid using harsh chemicals or abrasive materials that may damage the nylon polymer.

Disposal Instructions

- Dispose of the SAFTROUND responsibly.
- Do not throw the SAFTROUND in regular household waste.
- Check local regulations for proper disposal methods of polymer products.

- If the SAFTROUND is damaged beyond use, consider recycling options where available.

Contact Information for Further Support

For any inquiries or concerns regarding the SAFTROUND, please consult the retailer where you purchased the product or refer to the manufacturer's website for additional resources.

Conclusion

Following these safety instructions will help ensure a safe and effective experience with the SAFTROUND FITS 12 GA. PUMP. Always prioritize safety and adhere to local laws and regulations regarding firearm usage. Thank you for your commitment to responsible firearm handling.
