

# ROCKET 3.5 TRIGGER CONNECTOR GEN 1-5

[Handgun Parts](#) > [Trigger Group Parts](#) > [Connector Parts](#)

## Lightens & Improves Trigger Feel

Stainless steel connector reduces the length of trigger pull, improves reset, and eliminates accuracy-robbing overtravel. Ghost Rocket 3.5 reduce trigger-pull weight to 3.5 pounds respectively; both have an extra tab that contacts the trigger bar and prevents overtravel after the striker falls. Each connector requires minor fitting.

## Attributes

- Name: [GHOST ROCKET 3.5 TRIGGER CONNECTOR GEN 1-5](#)
- Manufacturer: [GHOST](#)
- Product no.: 100000631

# **GHOST ROCKET 3.5 Trigger Connector Safety Instructions**

## **Introduction**

Thank you for choosing the GHOST ROCKET 3.5 Trigger Connector. This product is designed to enhance the performance of your Glock handgun by reducing trigger pull length and weight. Please read this safety instruction guide carefully to ensure safe and effective use of the product.

## **General Safety Guidelines**

- Ensure that the GHOST ROCKET 3.5 Trigger Connector is installed correctly to avoid any malfunctions.
- Always treat your firearm as if it is loaded, even when it is not.
- Keep the firearm pointed in a safe direction at all times.
- Store the connector and firearm securely, away from unauthorized users, especially children.
- Regularly check for any wear or damage to the connector and replace it if necessary.
- Report any unsafe products or accidents to the appropriate authorities.
- Stay informed about product recalls and safety updates through the EU's Safety Gate platform.

## **Specific Safety Precautions for Use**

- Only use the GHOST ROCKET 3.5 Trigger Connector with Glock handguns, excluding models 42 and 43.
- Ensure that you are familiar with your handgun's operation before installing the connector.
- Do not attempt to install the connector if you are not confident in your ability to do so safely. Seek professional assistance if needed.
- Avoid using the firearm in conditions that may lead to accidental discharge, such as while cleaning or handling.

## **Instructions for Installation and Usage**

### **1. Preparation**

- Ensure the firearm is unloaded and pointed in a safe direction.
- Gather necessary tools for installation, including a punch tool and a hammer.

### **2. Installation Steps**

- Remove the slide from the Glock handgun according to the manufacturer's instructions.
- Locate the existing trigger connector in the trigger mechanism.
- Carefully remove the existing connector using a punch tool.
- Install the GHOST ROCKET 3.5 Trigger Connector by aligning it with the trigger bar and securing it in place.
- Ensure that the connector is fitted snugly and that there is no excessive movement.
- Reassemble the firearm and perform a function check to ensure proper operation.

### **3. Usage**

- Practice safe handling of your firearm at all times.
- Familiarize yourself with the new trigger pull and reset characteristics after installation.
- Regularly inspect the connector for any signs of wear or damage.

## **Disposal Instructions**

- Dispose of the GHOST ROCKET 3.5 Trigger Connector in accordance with local regulations.
- Do not dispose of the connector in regular household waste. Instead, take it to a facility that handles hazardous materials if applicable.

## **Contact Information for Further Support**

For further assistance or inquiries about the GHOST ROCKET 3.5 Trigger Connector, please refer to the manufacturer's website or contact your local authorized dealer.

Please ensure that you follow these safety instructions and guidelines to ensure a safe and enjoyable experience with your GHOST ROCKET 3.5 Trigger Connector. Thank you for your attention to safety!
