

# PISTOL SIMULATOR - RINGS MFG GLOCK G17/22/31 SIMULATOR

[Shooting Accessories](#) > [Training & Safety Gear](#) > [Training & Simulation](#)

## Safe, Non-Gun, For Law Enforcement & Military Training

A realistic, safe alternative to using real firearms for law enforcement training exercises and weapons retention drills. Molded from actual weapons for true-to-life detail. Strong, polyurethane plastic has steel reinforcement to prevent bending and flexing; handles and balances like an actual firearm. Safety blue color signifies this is a non-firing training aid.

# **Safety Instruction Guide for PISTOL SIMULATOR RINGS MFG GLOCK G17/22/31 SIMULATOR**

## **Introduction**

Thank you for choosing the PISTOL SIMULATOR RINGS MFG GLOCK G17/22/31 SIMULATOR. This product is designed to provide a realistic and safe alternative for law enforcement training exercises and weapons retention drills. It is molded from actual firearms, ensuring truetolife detail while being constructed from strong, polyurethane plastic with steel reinforcement. This guide provides essential safety instructions to ensure the safe use and handling of this product.

## **General Safety Guidelines**

- Always treat the simulator as if it were a real firearm. This includes adhering to all safety protocols associated with firearms.
- Keep the simulator out of reach of children and unauthorized users.
- Use the simulator only for its intended purpose as a training aid.
- Regularly inspect the simulator for any signs of damage or wear before each use.
- If you notice any defects, discontinue use immediately and report the issue.
- Ensure all users are trained in firearm safety and simulator operation before use.

## **Specific Safety Precautions for Use**

- Do not use the simulator in a manner that could cause harm to yourself or others.
- Avoid using the simulator in crowded or confined spaces where accidental injury could occur.
- Always ensure that the area is clear of bystanders before conducting training exercises.
- Use appropriate protective gear, such as eye protection, when using the simulator.
- Do not modify or alter the simulator in any way, as this could compromise safety and performance.
- Be aware of your surroundings and ensure that the simulator is pointed in a safe direction at all times.

## **Instructions for Installation and Usage**

### **1. Preparation for Use**

- Ensure that the training area is safe and free from distractions.
- Familiarize yourself with the simulator's features and handling characteristics.

### **2. Using the Simulator**

- Hold the simulator firmly with both hands, ensuring a proper grip.
- Practice safe handling techniques, including keeping your finger off the trigger until ready to simulate a shot.
- Use the simulator only in designated training environments.

### **3. PostUse Care**

- After training, store the simulator in a secure location, away from children and unauthorized users.
- Clean the simulator according to the manufacturer's recommendations to maintain its condition.

## **Disposal Instructions**

- Dispose of the simulator in accordance with local regulations for plastic and electronic waste.
- Do not incinerate the simulator as it may release harmful substances.

- If the simulator is damaged beyond repair, contact your local waste management service for proper disposal methods.

## Contact Information for Further Support

For any questions or concerns regarding the PISTOL SIMULATOR RINGS MFG GLOCK G17/22/31 SIMULATOR, please refer to the manufacturer's website or contact the designated support team in your region.

## Conclusion

By following these safety instructions and guidelines, you can ensure a safe and effective training experience with the PISTOL SIMULATOR RINGS MFG GLOCK G17/22/31 SIMULATOR. Your commitment to safety is essential in promoting responsible training practices. Thank you for prioritizing safety and compliance with the EU General Product Safety Regulation.
