ULTIMATE ARMORER'S TOOL Safety Instruction Guide

Introduction

Thank you for choosing the ULTIMATE ARMORER'S TOOL for GLOCK® from LONE WOLF DIST. This multifunction tool is designed to assist you in the safe and effective disassembly, maintenance, and customization of your GLOCK firearm. This guide provides essential safety instructions and guidelines to ensure safe usage and compliance with the EU General Product Safety Regulation (GPSR).

General Safety Guidelines

- **Product Safety:** Ensure the safe use of this tool while performing maintenance on your GLOCK or other universal handguns.
- **Enhanced Recalls:** Stay informed about any recall notices regarding this product and follow instructions provided for safe returns or remedies.
- **Online Shopping:** If purchased online, ensure that the platform complies with safety requirements similar to those of physical stores.
- **Special Consumer Focus:** Keep this tool out of reach of children and vulnerable individuals to prevent accidents.
- **EU Contact Point:** For any safety inquiries, please refer to the appropriate EU-based contact for assistance.
- **Rapid Alerts:** Regularly check for updates on unsafe products via the Safety Gate system.

Specific Safety Precautions for Use

- Always ensure the firearm is unloaded before using the ULTIMATE ARMORER'S TOOL.
- Inspect the tool for any damage before each use. Do not use if damaged.
- Use the tool only for its intended purpose; do not attempt to use it for any other applications.
- Keep hands and fingers clear of moving parts during operation.
- Wear safety glasses to protect your eyes from potential debris or parts.
- Store the tool in a safe and dry place when not in use.
- Do not modify the tool in any way, as this may compromise safety and effectiveness.

Instructions for Installation and Usage

1. Before Use:

- Confirm that the firearm is completely unloaded.
- Gather all necessary components and ensure you have a clean workspace.

2. Disassembly:

- Use the 3/32" pin punch to remove pins as needed.
- Carefully use the 3/16" flat blade to remove connectors without damaging surrounding components.
- Utilize the 3/16" sight nut driver to change or adjust sights.

3. Cleaning:

- Use the included cleanup brush to remove any debris or residue from the firearm.
- Ensure that all parts are clean and free from obstructions before reassembly.

4. Reassembly:

- Follow the reverse order of disassembly to reassemble the firearm.
- Ensure all pins and connectors are securely replaced and functioning properly.

5. Final Check:

- Once reassembled, perform a safety check to ensure the firearm is functioning properly.
- Store the ULTIMATE ARMORER'S TOOL in a secure location.

Disposal Instructions

- Dispose of the ULTIMATE ARMORER'S TOOL responsibly, following local regulations for tool disposal.
- If the tool is damaged beyond repair, consider recycling parts where possible.

Contact Information for Further Support

For any questions or concerns regarding the ULTIMATE ARMORER'S TOOL, please refer to the appropriate EU-based contact for assistance.

By following these guidelines, you can ensure your safety and the safe operation of your firearm while using the ULTIMATE ARMORER'S TOOL. Thank you for your attention to safety and proper usage.
