Consumer Safety Instruction Guide for 1911 Hammer Strut Pin

Introduction

Thank you for purchasing the 1911 Hammer Strut Pin. This guide provides essential safety instructions and usage information to ensure your product operates safely and effectively. Please read this guide carefully before installation and use.

General Safety Guidelines

- Always ensure the firearm is unloaded before performing any maintenance or installation.
- Keep the product out of reach of children and unauthorized users.
- Regularly inspect the Hammer Strut Pin for signs of wear or damage.
- Avoid using the product if it shows any signs of defects or malfunction.
- Follow all local laws and regulations regarding firearm modifications and parts.

Specific Safety Precautions for Use

- Ensure that you are familiar with the operation of the 1911 firearm model you are using (Government, Commander, or Officers).
- Use only compatible components designed for your specific model of 1911 to avoid malfunction.
- Do not attempt to modify the Hammer Strut Pin or any other firearm part, as this may compromise safety and functionality.
- Always wear appropriate safety gear, such as eye protection, when handling firearms and their components.

Instructions for Installation and Usage

1. Preparation:

- Ensure that the firearm is completely unloaded.
- Gather all necessary tools for installation, including a punch tool and hammer.

2. Installation Steps:

- Remove the existing Hammer Strut Pin from the firearm by carefully driving it out with a punch tool.
- Align the new Hammer Strut Pin with the hole in the hammer strut.
- Gently tap the new Hammer Strut Pin into place using the hammer and punch tool. Ensure it is flush with the surface.
- Doublecheck that the Hammer Strut Pin is securely installed and that there are no protrusions.

3. PostInstallation:

- Test the functionality of the firearm to ensure proper operation.
- Conduct a visual inspection to confirm that all components are correctly installed.

Disposal Instructions

- Dispose of any old or damaged parts, including the previous Hammer Strut Pin, in accordance with local regulations.
- Do not dispose of firearm parts in regular household waste.

- Consider recycling options where available, or contact a local waste management facility for guidance.

Contact Information for Further Support

For any inquiries regarding safety, installation, or product performance, please refer to the manufacturer's contact information included with your product packaging. It is essential to have access to support for any questions or concerns you may have.

Conclusion

By following these guidelines, you can ensure the safe installation and use of the 1911 Hammer Strut Pin. Always prioritize safety and stay informed about any updates or recalls related to your product. Thank you for choosing a highquality, U.S.made component for your firearm.
