# 1911 Ejector Pin Safety Instruction Guide

## Introduction

Thank you for purchasing the 1911 Ejector Pin. This product is designed for use with the 1911 Government, Commander, and Officers models. It is manufactured in the U.S. with highquality materials, ensuring a reliable fit and function. To ensure your safety and the optimal performance of this product, please read and follow the safety instructions outlined in this guide.

## General Safety Guidelines

- Always read and understand all instructions before using this product.
- Ensure that this product is used only for its intended purpose.
- Keep this product out of reach of children and vulnerable individuals.
- Regularly inspect the product for signs of wear or damage before use.
- Report any unsafe products or incidents to the relevant authorities.
- Stay informed about product recalls by checking the EU's Safety Gate platform.

## Specific Safety Precautions for Use

- **Potential Hazards:** Improper installation or use of the ejector pin may lead to firearm malfunction, which can cause injury or death.
- **Avoiding Hazards:**
  - Always ensure the firearm is unloaded before attempting installation or maintenance.
  - Use appropriate tools and follow the manufacturer's specifications for installation.
  - Do not modify the ejector pin or use it in a manner not intended by the manufacturer.
- **Age Restrictions:** This product should only be handled and installed by individuals who are legally permitted to own and operate firearms.

## Instructions for Installation and Usage

### 1. Preparation:

- Ensure that your workspace is clean and welllit.
- Gather all necessary tools, including a punch tool and hammer for installation.

### 2. Installation:

- Unload the firearm and ensure it is completely safe.
- Remove the old ejector pin if applicable, using a punch tool to drive it out.
- Align the new ejector pin with the appropriate hole in the frame.
- Gently tap the new ejector pin into place using a hammer and punch tool until it is securely fitted.

### 3. Usage:

- After installation, perform a function check on the firearm to ensure that it operates correctly.
- Regularly inspect the ejector pin for signs of wear or damage during routine firearm maintenance.

## Disposal Instructions

- Dispose of any old or damaged ejector pins in accordance with local regulations for metal waste.
- Ensure that any disposed components do not pose a risk to the environment or public safety.

## **Contact Information for Further Support**

For further support and inquiries regarding safety or product information, please reach out to your local authorized dealer or manufacturer. Ensure you have your product details ready for assistance.

Thank you for your attention to these safety instructions. Your safety and the proper functioning of your firearm depend on adherence to these guidelines.
