

# TSR PICATINNY SCOPE RINGS - TPS PRODUCTS 1" MEDIUM (0.985") ALUMINUM RINGS

[Optics & Mounting](#) > [Rings, Mounts & Bases](#) > [Scope Rings](#)

## Super Holding Power, Precision Alignment

TSR Series Rings, precisely machined from an aluminum billet, with tolerances held to .0002", give maximum scope/ring contact. Holds scope securely against recoil. Four-screw cap lets you align the reticle, tighten the left side of the cap, then the right side without the scope rotating. Radiused edges and corners help prevent snagging while providing attractive appearance. Large, clamp-nut lets you torque rings to Mil-STD 1913 (Picatinny) bases.

## Attributes

- Name: [TPS PRODUCTS 1" MEDIUM \(0.985"\) ALUMINUM RINGS](#)
- Manufacturer: [TPS PRODUCTS](#)
- Product no.: 100000952
- Mfr. No.: 30521
- Finish: Matte Blue
- Height: .985"

# TSR Picatinny Scope Rings Safety Instruction Guide

## Introduction

Thank you for purchasing the TSR Picatinny Scope Rings by TPS Products. These rings are designed to securely hold your scope in place, ensuring optimal performance and safety during use. This guide provides essential safety instructions and general guidelines to help you use the product safely and effectively.

## General Safety Guidelines

- Ensure the product is suitable for your specific scope and firearm before use.
- Always check the scope rings for any signs of damage or wear before installation.
- Use the scope rings only for their intended purpose as outlined in this manual.
- Keep the product out of reach of children and vulnerable individuals.
- Report any unsafe conditions or incidents to the relevant authorities.

## Specific Safety Precautions for Use

### • Installation Safety:

- Ensure the firearm is unloaded before installing or adjusting the scope rings.
- Use proper tools to avoid damaging the rings or your scope.

### • Usage Safety:

- Regularly check the tightness of the screws to ensure the scope is securely mounted.
- Avoid overtightening the screws, which may damage the scope or the rings.
- Do not use the product in extreme weather conditions that could affect performance.

### • Maintenance Safety:

- Clean the scope rings with a soft cloth and mild detergent.
- Do not use abrasive materials that could scratch the finish.

## Instructions for Installation and Usage

### 1. Installation Steps:

- Ensure the firearm is unloaded and pointed in a safe direction.
- Place the scope rings onto the Picatinny rail, aligning them with the desired mounting position.
- Insert the screws into the rings and handtighten them to hold the rings in place.
- Use a torque wrench to tighten the screws to the manufacturer's recommended torque specifications.
- Align the scope within the rings and adjust the reticle as needed.
- Tighten the screws on the cap of the rings, alternating between sides to prevent rotation of the scope.

### 2. Usage Steps:

- After installation, check the alignment of the scope.
- Regularly inspect the scope rings for any signs of movement or wear during use.
- Make adjustments as necessary to maintain proper alignment and secure fit.

## **Disposal Instructions**

- Dispose of the product in accordance with local regulations.
- Do not dispose of the product in household waste.
- Consider recycling the aluminum material where possible.

## **Contact Information for Further Support**

For any inquiries regarding safety, installation, or usage of the TSR Picatinny Scope Rings, please refer to the manufacturer's website or contact their customer service for assistance.

Thank you for prioritizing safety and following these guidelines for the TSR Picatinny Scope Rings. Enjoy your shooting experience!
