

# TSR PICATINNY SCOPE RINGS - 30MM LOW (0.925") ALUMINUM RINGS

[Optics & Mounting](#) > [Rings, Mounts & Bases](#) > [Scope Rings](#)

## Super Holding Power, Precision Alignment

TSR Series Rings, precisely machined from an aluminum billet, with tolerances held to .0002", give maximum scope/ring contact. Holds scope securely against recoil. Four-screw cap lets you align the reticle, tighten the left side of the cap, then the right side without the scope rotating. Radiused edges and corners help prevent snagging while providing attractive appearance. Large, clamp-nut lets you torque rings to Mil-STD 1913 (Picatinny) bases.

## Attributes

- Name: [30MM LOW \(0.925"\) ALUMINUM RINGS](#)
- Manufacturer: [TPS PRODUCTS](#)
- Product no.: 100000957
- Mfr. No.: 30580
- Finish: Matte Blue
- Height: .925"
- Material: Aluminum
- Scope Tube Diameter: 30mm
- Size: Low
- Style: Tactical Rings
- Delivery weight: 0.134kg
- Shipping height: 25mm
- Shipping width: 61mm
- Shipping length: 152mm
- UPC: 071611305808

# TSR Picatinny Scope Rings 30mm Low Safety Instruction Guide

## Introduction

Thank you for choosing the TSR Picatinny Scope Rings 30mm Low. These rings are designed to provide a secure and stable mounting solution for your scope, ensuring optimal performance and safety during use. Please read this safety instruction guide carefully to understand how to use the product safely and effectively.

## General Safety Guidelines

- Always inspect the product for any defects or damage before use.
- Ensure that the scope rings are compatible with your scope and firearm.
- Follow all local laws and regulations regarding the use of firearms and accessories.
- Keep the product out of reach of children and unauthorized users.
- If you experience any issues with the product, discontinue use immediately and seek assistance.

## Specific Safety Precautions for Use

- Ensure that the scope is properly aligned and secured within the rings to prevent movement during use.
- Do not exceed the recommended torque settings when tightening the rings to avoid damage.
- Avoid using the product in extreme environmental conditions, such as excessive heat or moisture, which could affect performance.
- Always wear appropriate eye protection when handling firearms and accessories.
- Be aware of your surroundings and ensure a safe shooting environment.

## Instructions for Installation and Usage

### 1. Preparation

- Gather all necessary tools, including a torque wrench and appropriate screws.
- Ensure that the mounting surface is clean and free from debris.

### 2. Installation

- Position the scope rings on the Picatinny rail, ensuring they are aligned correctly.
- Use the provided screws to secure the rings to the rail, tightening them gently to avoid overtightening.
- Place the scope into the rings, ensuring it is correctly seated.
- Adjust the scope to your desired position and alignment.

### 3. Alignment and Tightening

- With the scope in position, align the reticle using the fourscrew cap.
- Tighten the left side of the cap first, followed by the right side, ensuring the scope does not rotate during this process.
- Use a torque wrench to tighten the screws to the specified MilSTD 1913 (Picatinny) torque settings.

### 4. PostInstallation Check

- After installation, check the alignment and security of the scope.
- Perform a function check to ensure everything operates as expected before use.

## **Disposal Instructions**

- Dispose of the product in accordance with local regulations.
- If the product is no longer usable, consider recycling aluminum components where possible.
- Do not dispose of the product in household waste.

## **Contact Information for Further Support**

For any safety inquiries or concerns regarding the TSR Picatinny Scope Rings 30mm Low, please contact the manufacturer or your local distributor for assistance.

By following these guidelines and instructions, you can ensure the safe and effective use of your TSR Picatinny Scope Rings 30mm Low. Thank you for prioritizing safety in your shooting activities.
