

# TSR PICATINNY SCOPE RINGS - TPS PRODUCTS 30MM HIGH (1.225") ALUMINUM RINGS

[Optics & Mounting](#) > [Rings, Mounts & Bases](#) > [Scope Rings](#)

## Super Holding Power, Precision Alignment

TSR Series Rings, precisely machined from an aluminum billet, with tolerances held to .0002", give maximum scope/ring contact. Holds scope securely against recoil. Four-screw cap lets you align the reticle, tighten the left side of the cap, then the right side without the scope rotating. Radiused edges and corners help prevent snagging while providing attractive appearance. Large, clamp-nut lets you torque rings to Mil-STD 1913 (Picatinny) bases.

## Attributes

- Name: [TPS PRODUCTS 30MM HIGH \(1.225"\) ALUMINUM RINGS](#)
- Manufacturer: [TPS PRODUCTS](#)
- Product no.: 100000959
- Mfr. No.: 30582
- Finish: Matte Blue
- Height: 1.225"
- Material: Aluminum
- Scope Tube Diameter: 30mm
- Size: High
- Style: Tactical Rings
- Delivery weight: 0.159kg
- Shipping height: 58mm
- Shipping width: 61mm
- Shipping length: 94mm
- UPC: 071611305822

# TSR Picatinny Scope Rings Safety Instruction Guide

## Introduction

Thank you for choosing the TSR Picatinny Scope Rings by TPS Products. These highquality aluminum rings are designed to securely hold your scope in place while providing a reliable shooting experience. To ensure safe usage and compliance with the EU General Product Safety Regulation (GPSR), please read and follow the safety guidelines and instructions outlined in this document.

## General Safety Guidelines

- Ensure that the scope rings are compatible with your scope and firearm before installation.
- Always inspect the scope rings for any signs of damage or wear before each use.
- Keep the scope rings and all related equipment out of reach of children and vulnerable individuals.
- Follow all local laws and regulations regarding the use of firearms and accessories.
- Report any unsafe products or accidents to the relevant authorities.
- Stay informed about product recalls and safety updates through the EU's Safety Gate platform.

## Specific Safety Precautions for Use

- **Installation Safety:** Always install the scope rings in a safe environment, away from live ammunition and firearms.
- **Torque Settings:** Use the clampnut to properly torque the rings to MilSTD 1913 (Picatinny) bases. Overtightening may damage the rings or the base.
- **Alignment Precautions:** When aligning the reticle, ensure that the scope does not rotate. Tighten the left side of the cap first, followed by the right side.
- **Handling:** Handle the scope rings with care to avoid dropping or damaging them. If dropped, inspect for any damage before use.
- **Maintenance:** Regularly check and maintain the scope rings to ensure they remain secure and functional.

## Instructions for Installation and Usage

### 1. Preparation:

- Gather all necessary tools, including a torque wrench.
- Ensure the installation area is clean and organized.

### 2. Installation Steps:

- Place the scope rings onto the Picatinny base.
- Align the rings with the scope tube diameter (30mm).
- Insert the screws into the cap of the rings and handtighten them.

### 3. Torque Application:

- Using a torque wrench, apply torque to the clampnut as per MilSTD 1913 specifications.
- Do not exceed the recommended torque to avoid damaging the rings or the base.

### 4. Scope Alignment:

- Align the reticle of the scope.

- Tighten the left side of the cap first, ensuring the scope does not rotate.
- Then tighten the right side of the cap.

#### 5. Final Check:

- Inspect the installation for any loose screws or misalignments.
- Ensure the scope is securely held in place before using the firearm.

## Disposal Instructions

- Dispose of the scope rings responsibly, following local regulations for metal recycling.
- Do not dispose of the product in household waste. Instead, take it to a designated recycling facility if available.

## Contact Information for Further Support

For any safety inquiries or further support regarding the TSR Picatinny Scope Rings, please refer to the manufacturer's contact information provided with the product packaging.

By following these safety instructions and guidelines, you can ensure a safe and enjoyable experience with your TSR Picatinny Scope Rings. Always prioritize safety and compliance with local laws when using firearms and accessories.
