# 1911 Safety Lock Plunger Safety Instruction Guide

## Introduction

Thank you for choosing the 1911 Safety Lock Plunger from Brownells. This product is designed to enhance the safety and functionality of your 1911 Auto firearm. Please read this safety instruction guide carefully to ensure safe use and compliance with the EU General Product Safety Regulation (GPSR).

## General Safety Guidelines

- Always treat all firearms as if they are loaded.
- Ensure that the firearm is pointed in a safe direction at all times.
- Keep your finger off the trigger until you are ready to shoot.
- Store firearms and ammunition securely, out of reach of children and unauthorized users.
- Regularly inspect your firearm and its components for wear and damage.
- Follow all local laws and regulations regarding firearm ownership and use.

## Specific Safety Precautions for Use

- Ensure the 1911 Safety Lock Plunger is compatible with your specific model (Government, Commander, Officers).
- Do not attempt to use the plunger if it shows any signs of damage or wear.
- Only use the product as intended; do not modify or alter it.
- Keep the plunger and surrounding areas clean and free from debris to ensure proper functioning.
- Always wear appropriate safety gear, such as eye protection, when handling firearms.

## Instructions for Installation and Usage

### Installation

1. **Safety First:** Ensure the firearm is unloaded and pointed in a safe direction.
2. **Remove the Old Plunger:** Use a suitable tool to carefully remove the existing safety lock plunger from your firearm.
3. **Inspect the Area:** Check for any debris or damage in the plunger housing.
4. **Install the New Plunger:**
  - Align the new 1911 Safety Lock Plunger with the housing.
  - Gently push it into place until it is securely seated.
5. **Test the Functionality:** Before using the firearm, test the safety mechanism to ensure it operates correctly.

### Usage

- The 1911 Safety Lock Plunger is designed to prevent accidental discharge. Always ensure that the safety is engaged when the firearm is not in use.
- Regularly check the plunger's functionality before each use of the firearm.

## Disposal Instructions

- Dispose of any old safety lock plungers in accordance with local regulations.
- Do not dispose of the product in regular household waste. Check with local authorities for proper disposal methods.

## **Contact Information for Further Support**

For any inquiries regarding the 1911 Safety Lock Plunger or to report unsafe products, please refer to the appropriate EU contact point or local authority.

## **Conclusion**

By following these safety guidelines and instructions, you can ensure the safe and effective use of your 1911 Safety Lock Plunger. Always prioritize safety when handling firearms and stay informed about best practices and regulations. Thank you for your attention to safety.
