NEOPRENE SHOP APRON SAFETY INSTRUCTIONS

Introduction

Thank you for choosing the Brownells Neoprene Shop Apron. This heavyweight apron is designed to protect your clothing and skin from harmful substances encountered in the gun shop. To ensure your safety and the proper use of this product, please read and follow these safety instructions carefully.

General Safety Guidelines

- Ensure that the apron is worn correctly to maximize protection.
- Always inspect the apron for any signs of wear or damage before use.
- Keep the apron away from open flames and high heat sources.
- Do not use the apron for any purpose other than its intended use in a gun shop or similar environment.
- Be aware of the materials you are handling and ensure that they are compatible with neoprene.
- Always wash your hands after handling potentially hazardous materials.

Specific Safety Precautions for Use

- Avoid contact with strong acids and caustics that may degrade the neoprene material.
- If the apron becomes contaminated with hazardous substances, remove it immediately and follow proper decontamination procedures.
- Do not use the apron if it is torn or has any holes, as this may compromise your safety.
- Ensure that the apron fits properly to avoid any risk of entanglement in machinery or equipment.
- Keep the apron out of reach of children and vulnerable individuals.

Instructions for Installation and Usage

1. Wearing the Apron:

- Place the apron over your head and adjust the neck strap for a comfortable fit.
- Secure the waist straps around your body and fasten them to ensure the apron stays in place.

2. During Use:

- Always wear the apron when working with oils, acids, greases, and solvents.
- If you feel any irritation or discomfort while wearing the apron, remove it immediately.

3. PostUse Care:

- After use, clean the apron with a damp cloth to remove any contaminants.
- Hang the apron to dry in a wellventilated area away from direct sunlight and heat sources.

Disposal Instructions

- Dispose of the apron according to local regulations regarding neoprene and hazardous materials.
- If the apron is damaged beyond repair, ensure it is disposed of in a manner that prevents environmental contamination.

Contact Information for Further Support

For any safety inquiries or concerns regarding the use of this product, please refer to the contact information provided by the manufacturer or retailer.

By following these guidelines, you can ensure safe and effective use of the Brownells Neoprene Shop Apron. Thank you for prioritizing your safety while enjoying your work in the gun shop.
