# 1911 ONE GUN PIN KIT Safety Instruction Guide

## Introduction

Thank you for choosing the 1911 ONE GUN PIN KIT, designed specifically for the 1911 Commander and Government models. This guide provides essential safety instructions and guidelines to ensure the safe and effective use of your product. Please read this manual thoroughly before using the kit.

## General Safety Guidelines

- Ensure that all parts are compatible with your specific firearm model.
- Always handle firearms and their components with care and respect.
- Store the kit in a secure location, out of reach of children and unauthorized users.
- Regularly inspect all components for wear or damage before use.
- Follow all local laws and regulations regarding firearm modifications and usage.
- Report any unsafe products or incidents to the appropriate authorities.

## Specific Safety Precautions for Use

- Do not attempt to assemble or disassemble your firearm unless you are familiar with its operation.
- Always ensure that the firearm is unloaded before beginning any work on it.
- Wear appropriate safety gear, such as safety glasses, when handling small parts.
- Keep your work area clean and organized to prevent loss of small components.
- Avoid using excessive force when installing pins or components to prevent damage.
- Be cautious of sharp edges on metal parts to avoid injury.

## Instructions for Installation and Usage

### 1. Preparation

- Gather all necessary tools and components from the kit.
- Ensure that your workspace is welllit and free from distractions.

### 2. Assembly Steps

- **Mainspring Housing Pin:** Insert the mainspring housing pin into the designated hole in the mainspring housing.
- **Hammer Pin:** Align the hammer pin with the hammer and gently push it into place.
- **Hammer Strut Pin:** Insert the hammer strut pin through the hammer strut and into the frame.
- **Safety Lock Plunger:** Position the safety lock plunger and press it into the safety lock.
- **Mainspring Cap:** Place the mainspring cap onto the mainspring and secure it with the mainspring cap pin.
- **Slide Stop Plunger:** Insert the slide stop plunger into the frame.
- **Link Pin:** Align the link pin with the link and push it into place.
- **Ejector Pin:** Insert the ejector pin through the ejector.
- **Sear Pin:** Position the sear pin and push it into the sear.
- **Mainspring Housing Pin Retainer:** Finally, secure the mainspring housing pin with the retainer.

### 3. Final Checks

- Doublecheck that all pins are securely in place.
- Ensure that the firearm operates correctly by performing a function check.

## **Disposal Instructions**

- Dispose of any damaged or unused parts in accordance with local regulations.
- Do not throw away parts in regular household waste; consider recycling options where applicable.
- Ensure that any disposed components cannot be reused inappropriately.

## **Contact Information for Further Support**

For any questions or concerns regarding the 1911 ONE GUN PIN KIT, please refer to your local authorized dealer or manufacturer for assistance. It is important to ensure that all inquiries are directed to a knowledgeable source.

Thank you for your attention to these safety instructions. Your safety and the safe operation of your firearm are our top priorities.
