

# ONE PIECE BASES - FARRELL INDUSTRIES REMINGTON 700 LONG ACTION 20 MOA BASE

[Optics & Mounting](#) > [Rings, Mounts & Bases](#) > [Rifle Bases](#)

## Precision-Machined Quality & Innovative Design

CNC machined, steel bar stock, scope bases are extremely precise; straightness and flatness are held within .002" to create a solid platform for your optics. Bedding-compound groove gives you a stable, exact, base-to-receiver fit. Self-centering Torx® screws and chamfered screw holes to help prevent slipping during use. Accepts Picatinny and Weaver-style rings. Select from Standard or MOA (20 minutes built-in elevation).

# **Safety Instruction Guide for ONE PIECE BASES FARRELL INDUSTRIES REMINGTON 700 LONG ACTION 20 MOA BASE**

## **Introduction**

Thank you for choosing the ONE PIECE BASES FARRELL INDUSTRIES REMINGTON 700 LONG ACTION 20 MOA BASE. This guide provides important safety instructions and guidelines to ensure proper usage and to minimize risks associated with the product. Please read this guide carefully before installation and use.

## **General Safety Guidelines**

- Ensure that the product is installed and used in accordance with the manufacturer's instructions.
- Always handle firearms and accessories with care and in a safe manner.
- Keep the product out of reach of children and unauthorized users.
- Inspect the product regularly for signs of wear or damage before use.
- Do not use the product if it appears to be damaged or defective.
- Report any unsafe products or accidents to the appropriate authorities.
- Check for recall updates on the EU's Safety Gate platform to stay informed about safety issues.

## **Specific Safety Precautions for Use**

- Always ensure the firearm is unloaded before installing or adjusting the base.
- Use the selfcentering Torx® screws provided to prevent slipping during use.
- Ensure that the bedding compound groove is properly seated for a stable basetoreceiver fit.
- Avoid overtightening screws, as this may damage the product or the firearm.
- Use only compatible Picatinny or Weaverstyle rings with this base.
- Do not modify the product in any way, as this may compromise safety and performance.
- If you are unsure about installation or usage, consult a qualified gunsmith.

## **Instructions for Installation and Usage**

### **1. Preparation:**

- Ensure that your firearm is completely unloaded.
- Gather the necessary tools, including a Torx® screwdriver.

### **2. Installation:**

- Align the base with the receiver of the Remington 700 Long Action.
- Insert the selfcentering Torx® screws into the chamfered screw holes.
- Tighten the screws evenly, ensuring that the base is flat and secure.
- Check the alignment and stability of the base once installed.

### **3. Usage:**

- Mount your scope onto the base using compatible rings.
- Ensure that the scope is securely mounted and properly aligned.
- Test the setup at a safe shooting range to confirm stability and accuracy.

## **Disposal Instructions**

- Dispose of the product responsibly in accordance with local regulations.
- Do not dispose of the product in regular household waste.
- Contact local waste management authorities for guidance on proper disposal methods.

## **Contact Information for Further Support**

For any inquiries or assistance regarding this product, please refer to the manufacturer's website or customer service for support. Always ensure you have the latest safety information and updates.

By following these guidelines, you can ensure safe and effective use of the ONE PIECE BASES FARRELL INDUSTRIES REMINGTON 700 LONG ACTION 20 MOA BASE. Thank you for prioritizing safety and responsible usage.
